Dear Sir,

As coach of Track and Field at Power Memorial Academy, I am sending you a summary of the times in various Cross-Country meets our boys achieved at the end of the last Cross-Country season. The majority of X-C meets are held at Van Cortlandt Park in New York City.

As we are now in the first part of the 1966-1967 indoor season, most of the boys have surpassed last years times. We also have the largest squad in the track history of Power. There are 174 Varsity and Freshman members on this years team.

All the seniors are desirious of continuing in Track at the College level.

If it is at all possible, please send us any information concerning the Track and Field program at your College. This literature would be greatly appreciated and a welcome addition to our Athletic Library.

Sincerely,

Mr. John Mulligan
Coach of Track
