In closing, in the 1984 Yearbook the Seniors wrote something about themselves, thanked people, or gave quotes. A fitting one here is by Mark Davolos (see next page):

“To all my friends who have been so close to me during these years. May you all have long & happy lives. ‘Keep In Touch Guys.’”

Let's adopt that saying by keeping in touch with each other, reconnecting with old friends, and also making new friends among our track brethren. It's not too late.

Take care,
Thomas V. Cullen (72)
