Eight schools competed in nine events at the first NY Sectional Championship Meet held on May 30, 1932 at Manhattan College Field.

The events were the 100y Dash, 220y Dash, 440y Run, 880y Run, Mile Run, Running Broad Jump, Running High Jump, 12lb Shot Put, and a Four Lap Relay (352y x 4), as apparently, Manhattan Field was a "short track".

Over time, events were added with others replaced. For example, the 120y Low Hurdles were introduced in 1941. In 1947 it became the 120y High Hurdles and the 220y Low Hurdles was a new event.

Athlete and team performances come from a variety of sources. An archive of meet information provided by one of current CHSAA coaches, The New York

Times, Staten Island Advance, The Daily Argus, The Standard Star, The Reporter Dispatch, The Herald Statesman, and at times other sources such as yearbooks. When there was a difference between an archival league record and any other source, the archival league record was used.

While every effort was made to ensure completeness and accuracy, Father Time has hidden some results. Authenticated corrections and updates are welcomed. If you have information, photographs or memorabilia to share, please contact pmatrack@yahoo.com
