#### Track Scholastic NEW YORK STATE YEARBOOK

FOREWORD: The last season was a strange one for me, I found that my spirit had ebbed. I anticipated the coming of some track meets with a sense of duty, not desire. I'm not sure why. I guess it's hard to get excited after 13 years on the circuit. Or is that just my unlucky number? Part of the reason, I think, was the PSAL budget crisis. Also some of my interest in track has been transferred to my cross-country publication, And the fact that I cover virtually every meet I attend for at least one newspaper causes me to sonsider a meet in terms of news time schedule and the availability of telephones. After almost 80 meets, track and X-C, the exuberance is

Let it not be said, though, that I didn't enjoy myself. Cross-country was crazy for me; but I loved the IC4A, NCAA and AAU meets(regretfully missing the Intersectional and rederation meets, also two of my favorites). Indoors is still my favorite season--who needs a wind gauge?--and the Easterns at Princeton are marvelous, although the meetland the seeding meeting) is getting a bit long. I finally saw an NGAA outdoor championship. Penn Relays is still the ultimate for me. But if the Junior Nationals are in Knoxville again, try and make it. It'll cost you about \$200 for planefare(from NY) and room and board. Many events serve as a virtual national high school championship, spiced with top college freshmen. It's efficient, high-calibre and the weather is great.

Of course that other track extravaganza, the one in Montreal, was the Big One. I couldn't make it to the Trials in Eugene. Aside from the competition, I was most impressed by the aplomb showed by williams and Liquori when interviewed after injuries eliminated them. Years of work and possible Olympic glory had gone down the drain. Stoically, they defended the U.S. Trials system. They said, in essense, it was just tough luck for them. I am writing in essense, it was just tough luck for them. I am writing this on July 19, three days before my departure to the Games. I almost wish it was really the Penn Relays. We all know the Olympics, again, has been suffocated by politics, and by the time you read this who knows what else might have occurred. Taiwan is home, the Africans are leaving, other nations are following. It is no longer a true world track meet. Perhaps it is inevitable. When the countries of the world get incepten. For any mirror.

of the world get together--for any purpose--some of them will do as you did as a kid in the schoolyard. "If Billy plays, I quit."
While I'm getting opinionated, a few more comments are

in order. Burn down the \$100 million Yankee Stadium as a protest against the malicious sports priorities of today's municipal governments. Amateur athletics is rotting -- the PSAL debacle is testimony to this ... NY's new 3-event rule was unnecessary. Two events worked well. One unfortunate result will be that, in terms of team strength, sprint-oriented squads will be strengthened and distance-oriented ones will not. It's easier to run the 100, 220 and relay than run the mile, two-mile and two-mile relay...Let's

lobby to return the Penn Relays distance medley to its linear components. The metric conversion took much of the luster off last season's race.

CHANGES: I kept last year's promise. The indoor and out-door lists were expanded to 30 and 75. It's good to recognize more athletes, but a longer list increases the chances for error. Next year, maybe 40 and 100--those correspondents(and others) out there have to send almost every perdormance they get their hands on. There are also special features this year: the FSAL budget crisis, NYers at the Trials and the Olympics, more national notes and where the seniors went to college. The girls section has been expanded by about 20%. Coaches "spot" ads are outtoo much work. Other ads fell off a little. The price has been raised to \$1,50 at meets, after ten years at a buck. It couldn't be helped. Mail orders are \$2, with 25g per copy for postage and handling.

STATISTICAL EXPLANATION, No need to delineate the generally accepted policies regarding acceptable performances, wind readings, class status, track regulations and league rules. For the most part, the Yearbook follows the policies of Track & Field News. Some special notations are listed with the stats. Wind was an annoying factor last spring, especially at White Plains High, site of the Loucks and State Intersectional meeta. In the latter, Loucks and State Intersectional meets. In the latter, all heats in applicable events were considered windy, as were all efforts in the LJ and TJ, at which no gauge was set up. You'll remember it was quite a windy day, and, let's also not forget, the limit of 4.47(2.0m)mph is very, very little...seemingly negligable. Common abreviations: \*\_Junior, \*\*\_Soph, \*\*\*\_Freshman, h-heat, n-non-winning and a rare new one, A.T., for automatic timing, Par same avents on the outdoor lists them are

timing. For some events on the outdoor lists there are omissions in the "n" usage for reasons too lengthy to explain here.

REMEMBERING: Three persons with a total of over 100 years of service to track are no longer involved. Fred Schmertz died Mar. 25, after a long illness, at the age of 87. Fred, of course, directed the Millrose Games for 41 years and was very considerate of the needs of high school athletes. The Invitation H.S. Mile is one of the year's highlights...Manning Solon, longtime photographer, has retired. Manning, who used to run with Frank Hussey in the 20's, is an institution in New York City. His in the 20's, is an institution in New York Oity. Independent the pictures have appeared in most of the Tearbooks and have been widely published elsewhere... Al Spitzer of the Long Island Press retired in July, 1975, but word of his exodus did not reach us till after the '76 Yearbook was published. Hence, this belated acknowledgement of his contribution to the sport through his meet coverage and feature writing...The guy everyone likes to blame when it rains, Joe Pox, has retired from teaching(at Fordham Prep). But the prollfic meet director continues as CHSAA chief and as head of various major inviationals. We wish him well in semi-retirement.

THANKS ADVERTISERS: Without your continued support, there would be no Yearbook. Thanks again. (Additional ads are invited for the 1978 edition. Deadline; June 20, 1977. Rates: Quarter-pg-\$25, Half-\$40, Pull-\$70.)

Photographers in this edition: Steve Sutton, Paul Sutton, Harrison Funk, Larry Benfield.

ABOUT THE AUTHOR: There's no room for me, just for my family. My wife, Andrea, has been running, and she once did four miles. We might put Allison, 3½ over the summer, into age-group activity in the fall. Just for laughs. I'll look forward to being 30 in '77. That's the sub-masters league.

# Shields hurdles barriers

It was probably inevitable that Jim Shields' best events for 1976 would be 3000 meters, three miles and the steeplechase, races not part of the standard high school program. For Shields was a maverick of sorts, not one to meld in with the landscape at an orthodox high school where the rules are not easily

So at the second meet of the season, an incident after the competition ironically led Jim to one of the nation's outstanding high school performances of recent years. Shields and his teammates were wait-ing on the Chaminade High schoolbus for the coach to return. They got in the Bicentennial spirit early and decided to get out and push the bus a little. Jim was

to the driver's seat-but not for long.

Chaminade officials suspended Jim from the team two days later "for rules violations." Jim said he was days later for fuse variations. Will said ne was being used as a scapegoat, not having been held in great favor previously by the coach or school officials, Shields insisted, "The punishment didn't fit the crime." His family appealed the decision to the Chaminade pres-

His family appealed the decision to the Chaminade president, who upheld the suspension.

Shields was out to pasture, but he found friends at the Long Island Athletic Club, for which he had run previously in post-season events. The LIAC sent him to Knoxville, where he ran 9:13,6 in the open steeple-chase. The field was filled with Olympic candidates. The time was a NY State record for Jim, and it proved to be a foreshadowing of events that was to come one month later on the same track at the University of

Tennessee.

Jim dropped his bombshell at the AAU Junior(19 and under) Nationals, a meet increasingly relied upon to propel teenage athletes into the U.S. track picture. It was to be a showdown between the improving but in-conspicuous Shields and the more visable schoolboy recordholder, Jon Gustafson of well-publicized South Eugene (Ore) High, Gustafson set the national mark of 9,06,4 in last year's race, taking fourth while Shields was back in 10th in 9,23.0. Forget it, this time. The William & Mary-bound Rock-

ville Centre resident devoured the tricky event with a time of 8:52.6 to improve the national high school record by 14 seconds. That time would have gotten him 8th at the U.S. Olympic trials. He ran gracefully over the barriers and without mishap through the water jump for the 3,000 meters, about a furlong less than two

miles.
"I knew I was going fast," he said. "I saw the ground go by very quickly."
Shields thus qualified for the U.S. Junior team that competed in West Germany and the Soviet Union in early July. Deadline reports indicate Jim ran 9:03 or so in beating the Russians but tripped against the Germans and placed third.

Incidentally, Shields also ran a 9:12.8 two-mile and, during the winter, set state records for 3,000 meters (8:32.4) and three miles (14:24).

(8) 32.4) and three miles(14:24).
Jim Shields is NY State Outdoor Athlete-of-the-Year
for 1976. Almost aryone else would have packed his bags
after his suspension. Shields capitalized on it. "Being
on my own I could train more leisurely," he said."
Shields efforts definitely will further the cause of
U.S. steeplechasing, now that sub-9 is a reality. And
there may be more than meets the eye in Jimmy victory
in Russia, Remember where the 1980 Olympics will be.

The other major bright spot for NY schoolboys was the hurdling of burly Art Monk. The White Plains senior, headed for Syracuse on a football scholarship, ran unbeaten in the 120 highs and 30 intermediates, setting a state record of 13.5 in the Intersectionals on his home track. His best 330 mark was 37.1. Both times will rank very highly on the final national lists. Besides his Intersectional double, Monk took the Eastern and

Golden West 330's.
In addition to Shields NY nabbed another national and addition to only a ketcham soph, walked one mile in 6156.2. If a national walk list was compiled Myers would probably claim 90% of the top 20 marks, thanks mainly to scheduled events in the Long Island and Hudson
-Westchester areas, Moreover, there will be a walk in
the 1977 Intersectional meet, but it may be on a non-

scoring basis. Metric events are more common, and that trend will continue, although the Penn Relays metric distance medley does not have much of a fan club.

We now have the three-event rule in New York State. Starting with the 1976-77 season, anathlete here can compete in a maximum of any three events in a given meet. This replaces the two-event rule.

given meet. This replaces the two-event rule.

This far-reaching development passed through all of
the MNSPHSAA committees and was given final approval
by the authorized bodies of the State Education Deby the authorized. partment. The NY City leagues also can utilize the new three-event status.

new three-event status.

It remains to be seen to what extent coaches, meet directors and league administrators take advantage of

Yes, those were some bright spots but let's not deceive ourselves: this was not a banner year in NY. Injuries and abstentions proved costly. Athletes fell below their indoor peaks. The FSAL financial crunch(see stories elsewhere) was a disaster. Sure, the weather was bad-but we have seen worse, although it seemed to be windler than usual. Happily, the girls' program flourished(stories elsewhere).

elsewhere; is an event-by-event rundown of the '76 campaign, with a few thoughts for '77;

Sprints: Adley Raboy of Maine-Endwell came out on top, with a 9.6 best and an unbeaten season that included Eastern and Intersectional(I-S) 100 wins. Nassau champ Mark Rushnore of Glen Cove also had a 9.6 and was 2nd to Raboy in the I-S. JK's Ernie Waiters took the Eddy and Loucks meets with 9.7's and was 2nd to Raboy in the Easterns. CHSAA champ Earl MoNeil of Loughlin tied the soph mark of 9.6 in the Jr. Olympic trials and was headed for the Nationals at press time. Jefferson's Lillo Thomas, 9.6 last year, was mysteriously absent for most of '76. The two sophs that beat Raboy at last year's I-S were also absent. Keith Broughton of Williamsville North moved to the Detroit area, and New Rochelle's Steve Strothers was injured. Six runners hit 21.5 or better in the 220, but the event suffered since 21.5 or better in the 220, but the event suffered since those marks were recorded in five different meets, Jackson those marks were recorded in five dilferent meets, Jackson junior Steve Skinner, Eastern victor, and Holness Cunningham of Great Neck South, I-S champ, had the 21.4's. Sophs Brian Denman(Boys) and McNeil hit 21.5 and 21.6 in the Jr. Olympics, the former tying the class standard and, with Skinner, setting up a foundation for the '77 spring, with Strother also back, there should be some hot indoor 300's.

Quarter: This was a two-man show. Hewlett junior Tony Tufariello ran 48 flat to beat Mt. Vernon's Walt Kirkland at the NY Kelays and won many other titles including the I-S and Easterns. Walt beat Tony at Loucks and Eddy but suffered a late-season injury that erased his probably shot at the 47.5 area. With Tuff back look for him to rank nationally with 47 flat a strong possibility. New Rochelle's Stan Lord was the best one-lap soph in years and may develop into a top speedster after sub-49 clockings in '76.

Half: This traditionally strong NY event fizzled. The only runner under 1:53 was Tom Horton, McQuaid, I-S champ at 1:52...). There were five others in the 1:53's, including CHSAA, Eastern and L.I. victor Joe Swenson(1:53.3) and Mt. Vernon's Dave Washington, NY Relays and Loucks winner (also a 1:53.3 best). Swenson is from Chaminade. Best coming back is I-S runnerup Larry Kirk, Bishop Ludden, at 1:53,2, a sleeper who blossomed in late-season. Washington's Ramon Severino, Eastern indoor 1000 champ never got near the 1:51 he wanted. His best was 1:54,1 and his big win came in the Eddy Games over Washington and Horton win came in the Eddy Games over Washington and Horton.

Mile: Imagine one race in June with Luis Ostolozaga (Lough-lin), Maurice Weaver (Power), Dave O'Conor (Valley) and Steve Francis (Arlington)! Under decort weather the whole quartet might have run 4:05-4:09. You pick the winner. Luis and Maurice went at it, Maurice hit 4:09.5, losing to Jersey's Steve O'Connell at the NY Relays. Luis beat both at Hartford in 4:10.6, had a 3:49.5 to 3:50 1500-meter edge at the Jr Nationals(roughly 4:08 miles) and a 4:13.7 to 4:14.7 advantage in lossing Golden west eff-orts. O'Conor and Francis avoided the limelight and sprung the big one in the I-S. Off a 60-second first 440, but amid gusty winds, Dave nipped Steve, 4:10.8 to 4:11.2, as both marks shattered the funior-class record. Both have been improving steadily since their recordbreaking freshman years-Dave is at least a year younger than Steve--and should be among the nation's best this spring. Also returning are Noel Scidmore of Glens Falls

Left: Adley Raboy of Maine-Endwell wins Intersectional 100, Mid: Jackson junior Steve Skinner beast Leaghlin soph Earl McNell in Loucks 220, Right: Valley Central junior Dave O'Corner nips Arlungton justior Steve Francis in sensational 1-5 mile. (4:14,4), Tom Camien of Sewanhaka(4:14.7) and John Tuttle of Alfred-Almond(4:14.9). With five others back in '77 after sub-4:20 seasons, miling could really be hot this spring. The best of the whole '76 lot might have been Dan Predmore of Fairport, the Eastern indoor champ(4:13.8), who clocked 4:20 after a gnawing injury.

Two Miles: It was Luis and Maurice again here but with some disappointment. Sub-9:00 seemed assured after Luis' phenomenal X-C season and Maurice's phenomenal 9:04.2 indoors at the State Armory. The big chance came in the ChSAA champs, but they played cat-'n'-mouse, and Luis won it, 9105.2 to 9108.6 Earlier Maurice had won the Namuet 2M in 9:12,2 and Luis took the NY Relays in 9:12.8 and the Christian Bros. in 9:10.6. There are a dozen or so back at under 9:30. O'Conor could be the best if he wants to. Otherwise it's wide open.

rdles: Besides Monk, the hottest credentials belonged to Long Island's Faul Lankford(13.7/38.1) and Tim Hanlon (14.2/37.5). They attend Farmingdale and St. Agnes. The graceful Lankford, a potential decathlete, is back this year. He was runnerup to Monk in both I-S events, after taking the I-S indoor highs in the winter. His 13.7 tied taking the I-S indoor highs in the winter. His 13.7 tied the old state mark, he had a windy 1).6 in the heats. Tim's best also were losing efforts, the highs to derseyans in the Easterns and the 330's in the D.C. Meet of Champs. Also back this spring are Liverpool's Jim Sanford(14.3/14,0) and Nyack's Shulton Whitley(14.0). Mepham's John Kowalsky, who might have challenged Monk-in fact, he did in the Loucks meet-at the end, gave way to injury. Whitley also ran 36.4 in the 330's and accompanies four other 38-pt returnees. anies four other 38-pt returnees.

Walks/Steeple: NY is walk country. Besides the aforementioned Kolb, who has two years left, there was a whole crew of fast milers. Also back are consistent Steve Schneider of Greeley and Magnus' John Kckeegan, whose real talent is at the longer distances. The year's top race was the Loucks mile. Greg Warren of NY Deaf and Joe Keegan of hometown White Plains did a virtual dead heat in the then-national mark of 7:00.3. Warren won it. Desides Shields, the steeple saw Bret Watzkaof Nanuet and Chaminade's Jim Coogan go 1-2 in the Easterns. 9:129 to 9:130.8. inade's Jim Coogan go 1-2 in the Easterns, 9:29 to 9:30.8 Coogan, who returns, has been helped by Shields, and may follow him as the next national leader.

Field: Shot putting and pole vaulting grabbed center stage. Namuet's Tony Harlin. hit 63-plus in almost every meet, topped by a nationally-ranked 66-1, 2nd best ever in NY. He was 3rd in the Golden West, but one of his sub-63's came at the I-S, when Mineola's George Mecerod gained a quarter-inch triumph at 62-64. The out-look for '72' is quarter-inch triumph at 62-64. The outlook for '77 is spotty... Tappan Zee's Lance Arietta never got his hopedfor 16-footer, but he still came away with the state record. Lance popped over 15-72 for the Eastern title. However, he caught the apple in his sectional and never got to the I-S, won on misses by Ralph Freiman of Law-rence. Runnerup Craig Lindell of Bethlehem had a 14-7 leap as part of a post-season 5249 decathlon performance

leap as part of a post-season 5249 decathlon performance (topped by John Manrahan of Linton at 5320)...

There are five 23-foot long jumpers back. Not one of them has shown real consistency, which should make for an interesting season. The top mark was a 24-3 3/4 for Elmira's Israel Howard in his sectional, but he was beaten by rival Guydell Powell(Vestal) in the I-S... Triple jumping was unspectacular, but Sleepy Hollow's Sanya Owolabi should take care of that this season. He lost a soph record to the absense of a wind gauge not that windy day in the 1-3, taking the title with a leap of 48-2 3/4 to win by a quarter-inch over John Knorton of Manhasset. Norton had two 48-foot meets, the best at 48-11. The most consistent was Midwood's Basil O'Leighton, winner of several invitational trophies...
...After Rome's Kevin Parker high jumped 6-11 last

spring and W.Isilp's Tom Jedicka added a 6-10 indoors, 7-foot leaping seemed likely. It never came as the pair had respective 6-10 and 6-9 bests. But 30(!) others got over 6-6 or higher, as compared with, say, only three years ago when ll jumpers cleared that height. Ten of those guys are back, including Nanuet's Rick Carey, who erased Bill McClellon's soph record with a 6-8 3/4... State Catholic champ Kendall Jackson(Timon) hit 179-2 to pace the discus throwers. This weak NY event may be stimulated by Westhampton's Sean Farrell, 167-1 as a '76 soph. Niskayuna soph Dan Terwilliger hit 159-1.

Relays: Kennedy of the Bronx had sprint bests of 42,4 (440) and 1:27.7(880). Centereach(1:27.8) and John Bowne(1:28.4) were consistent at two laps...Nt.Vernon's Penn Relays runnerup(to Calabar, W.I.) had a 3:14.9 mile, the first loss for the quartet of Kirkland, Washington, -5- Bill Johnson and Valjean Garrett. They were primed for

#### GREAT SPRING SEASON THROUGHOUT U.S.

American high school athletes, as usual, displayed extraordinary accomplishments during the outdoor track season. Some '76 highlights:

Dwayne Evans (So.Mtn, Phoenix, Ariz) made the U.S. Dwayne Evans (So.Mtn. Phoenix Ariz) made the U.S. Olympic team at 200, running a record 20,22 after a HS mark of 20.5 for the full 220. Johnny Jones (Lampasa, Fex) also made the team for the 400 relay and had prep marks of 9,3, 20,7 and 46,16 for the sprints. World recordholder Houston Morlar was cratched from the U.S. team after qualifying because of an injury. McPear is from Baker, Fla... Tony Darden (Norristown, Pa), indoor 300 recordholder, set a HS record of 45,8 in the 400M...Jin Shields (Chaminade, Mincola, RV) set a prep steeplechase record of 8:52.6 and, after beating the Russian Juniors (in 9:03,2) was headed for 8:45 against the West Germans when he tripped over a barrier... George Kolb. a soph (Ketcham, wappingers

against the West Germans when he tripped over a barrier. George Kolb, a soph (Ketcham, Wappingers Falls,NY), set a national walk record of 6:56.2 for one mile.

Eric Hulst(Laguna Beach,Cal) ran a record
28:54 for 10,000M, only to find Rudy Chapa(Hammond,Ind) lower that mark to 28:32.8, one of the finest performances ever by a schoolboy, Bulst's

Tinest performances ever by a schoolboy. Mulat's Calif. rival, Thom Munt(Henry, San Diego), was relled by illness and did not run the H-minute mile he seemed headed for after an indoor record of 4:02.7;...Jay Reardon(Rockhurst, KC, Mo) high jumped 7-1 and had marks of (windy) 24-81 and 50-10 J4 to also win the LJ and TJ in the Missouri State meet...
Meanny Silverio(No. Bergen, NJ) broke the H.S. records for the 12-1b and 16-1b hammer throws with marks of 231-11 and 200-10...Greg Martin of Fascagoula, Miss. won the Golden West discussion and the state of the mile relay standard...Four teams broke 7:40 and another four were under 7:45 as the Illinois State meet saw the great prep twobroke 7:40 and another four were under 7:10 the Illinois State meet saw the great prep two-mile relay ever held. But the winning time was only 7:38(for Thornton), still off the 7:35,6 national record of Jackson and Boys, from MY, back in '66.

#### OUTDOOR REVIEW(CONT'D PROM P. 5) ...

even faster in the I-S, when they hit 3:17.7 with the in-jured Kirkland cruising a 50.9 leg... There were 25 units under 8 minutes in the two-mile, led by Fower's 7:44.6 in the Jersey Relays. Nolloy and Loughlin also had good clubs, as did Valley Central, I-S winner in a tight fin-ish over NeQuaid and Freeport.. The best relay event of the year was the Jersey Relays four-mile. All eight runthe year was the Jersey Relays four-mile. All eight run-ners from Susan Wagner and Kolloy ran lifetime mile bests. The outcome was a 17:21.6 victory for Wagner and the na-tions fastest time for '76. Kolloy was close in 17:22.8. Bob Drazem(4:21.1), Bob Fabrigas(4:24), Tom Hammerton (4:20.2) and Richie Harder(4:15.9) handled the baton for Wagner...Loughlin had several top distance medley times but was unable to successfully defend its Fenn Relays title. Again it was Luis and Maurice on the anchor. They ran 1:500-meter less of 1:51.8 and 3:51.7, but Maurice title. Again it was Luis and Maurice on the anchor. They ran 1500-meter legs of 3:51.8 and 3:51.7, but Maurice started off with a 10-yard lead and Power won the new metric distance(800,400,1300,1500) in 10:02.1. Loughlin's runnerup time was 10:04.6...It was also Power over Loughlin in the sprint medley, 3:27.8 to 3:29.8, in the losing end of a fast Jersey Relays event...The Centereach hurdlers combined for several relay wins, but they couldn't make it to that Jersey meet, where Xaverian set a state record of 59.5 for the 480's while placing third.

Selection Policy: The 11th annual NY State All-Star selection Folicy: The 11th annual NY State All-Star rankings, as usual, are not based on "What it's" but on "What was." The general criteria: the athlete's level of accomplishment in terms of victories, competitive record, consistency, outstanding marks, with emphasis on league championship meets. (Generally, dual meets receive little attention.)

Explanation of Selections:
100: Unbeaten Raboy solid. Waiters, Loucks, & Eddy
victor and Eastern runnerup(to Raboy), edges Rushmore, State runnerup(to Raboy).
220: Skinner's 21.5w/21.4 Loucks/Easterns wins(the
latter over NJ stud Mike Feniston) are judged a bit
heavier than Cunningham's 21.4/21.4 dual/State wins.
Strother ran well until his injury.
440: Kirkland had the edge on Tuff, but Tuff took the
State(herafter IS, for InterSectional) and Eastern
titles while Kirk nursed an injury. Lord, consistent
soph, firm in third.

titles while Airk nursed an injury. Lora, consistent soph, firm in third.
880: Horton lost a tight Eddy race but left no doubt after fast I-S win. Washington took NY Relays and Loucks over Swenson, who won CHSAA and Easterns. Kirk, IS runnerup(nipping Washington), did not have equal

overall record.
Mile: Luis beat Maurice at Hartford, Jr AAU and Golden West. O'Conor, after early-season troubles, was dynamite in IS, edging Francis, who beat him at Arlington. 2M: Luis again had the edge on Maurice with I-S winner Scholder firm in third spot.

Scholder firm in third spot.
HH: Unbeaten Monk. Lankford and Whitley firm too.
HH: Wonk,of course. Lankford edges Hanlon for 2nd
after beating him in LI champs 440's.

Malks: National recordholder Kolb choice over previous
recordholder Warren in mile...in new category of LD
(Long Distance) walk McKeegan, with 51:56 10k, tops
with Ciotoli,5k winner,and Morris, 10k finisher in
JR AAU, next.
Steeple: Shields natch. Watzka and Coogan, 1-2 in
Easterns follow.

Steeple: Shields hatch, wattka and Googan, 1-2 in Easterns follow.

HJ: Parker Solid with 6-9 at Penn and 6-10 for I-S win.
Jedlicka's total top leaps gets nod over Murphy, who had a win over Parker at Eddy.
FY: Arietta solid. I-S victor Preiman next with consistent 14-footers Lindell and Jirgal took close to

Li Powell's I-S win reversed Howard's section victory. I-S runnerup Russell even with Kirkland, who was strong till moving to late-season relay duty.

TII o'Leighton took Eddy, NYR, Loucks and Hartford with a 47-foot average. Owolabi's 2-inch win over Horton(IS) could not overhaul John's superior pre-meet efforts.

SP: Harlin way superior to Mecerod even with I-S loss.

Consistent Tocci solid in third.

DT: State Cath. champ Jackson firm out front. Erratic
Mecerod 2nd after I-S title, putting runnerup MacMennamin in a knot with Cordes.

JT: New category now that there are more--but still only a few--JT competitions. Brosa beat Concilio in CHSAA and State Cath. Concilio beat Boerner in NY Relays.

Analysis: To separate Arlington and Centereach would Analysis: To separate Arlington and Centereach would be nitpicking. Both teams were unbeaten-except for Centereach's poor Eddy Games showing-and performed on a level high above other contenders. On paper a dual meet would give it to Centereach, 75-56, based on the cold, top marks of each squad and scoring 5-3-1(5-0 in relays). But Arlington was a bit more consistent in gathering

But Arlington was a bit more consistent in gathering trophies against tougher opposition. Thus, a tie.
Molloy took the CHSAA. Mt.Vernon had the stars, but lost by 30 to Arlington in its sectional. Xaverian, Power and Loughlin were very well balanced and scored consistent successes. O'Neill and Uniondale were Rockland and Nassau champs. JFK was the FSAL's best(Indoor champ Edison did not compete because of the league's budget cut.)

HARR: Centereach beat Xaverian in 3 of 4. Consistent South Shore firm in third, 440R! JFK easy choice with Eddy victor Boys(over JFK) in 2nd. Jersey R. runnerup Loushlin slides into 3rd. 880R: JFK was hot early but Bowne, Eastern champ, and Centereach, I-S and L.I. victor, tops at the end. MR: Mt. Vernon, of course.0'Neill darts into 2nd with fast I-S runnerup with consistent ENY firm in 3rd. 2MR: Power and Molloy solid for 1-2 with I-S winner Valley nipping McQuaid and Loughlin with 3rd slot. 4MR: Wagner and Molloy, 1-2 in near record Jersey R., retain spots. Elmont, also under 18 flat, edges Farrell and Jamesville-DeWitt for third.
SMR: One race can do it here, and Power and Loughlin beat GW at Jersey R event. HHR: Centereach beat Xaverian in 3 of 4. Consistent beat GW at Jersey R event.

DMR: Penn winner Power has to get 1st over more-con-

sistent Loughlin. Xaverian nips Molloy for 3rd.

# PSAL Crisis: a chronology

What Happened in 1975-76:

June, 1975: John Glading of the PSAL warned coaches at an end-of-year social gathering that a 50% across-theboard sports cut might be in the offing.

<u>August, 1975</u>: The PSAL got its budget from the Board of Education. Its previous sum of \$2.4 million was slashed 40%, by about \$1 million, to \$1.4 million.

August, 1975: PSAL officials applied the cut to individ-ual sports. Indoor track, handball, golf and fencing were altogther axed; other varsity sports were trimmed by 10%.

September, 1975: Track coaches and sympathizers were out-raged, Coaches met with the FSAL to argue their case. The coaches cried foul, claiming other sports had received preferred treatment. The FSAL claimed track coaches still had outdoor track and cross-country(both of which recived 10% cuts as well). The FSAL also rebuffed the "lesser-oftwo evils" idea to cut outdoor track, not indoor track, a more important cog in the overall track year.

September, 1975: The PSAL adopted what it considered as a compromise plan, combining the indoor and outdoor seasons. Under this setup both seasons would be shortened, but retained, and the same cuts in the allocation of paid coaching sessions would be instituted. This idea further expectations are the programs as coaches and the PSAL made embittered the controversy as coaches and the FSAL made various claims regarding the legality and ethics of the

October, 1975: At a meeting attended by about two-thirds of the track coaches, the coaches voted 49-5 in favor of having one season--indoor or outdoor--instead of the FSAL program of a combination of the two.Those in favor of one season also voted by a 4-1 ratio to retain indoors instead of outdoors.

November 1975: Marty Lewis, track commissioner, announced that the PSAL had finally agreed to suspend the outdoor season in favor of retaining the indoor season. The indoor campaign remained virtually unchanged, except for the cancellation of the Mayor's All-City(FSAL-CiSAA) meet for lack of funds. Considering indoor and outdoor track as one sport, track thus received about a 57% reduction and represented a \$100,000 savings to the PSAL.

The suspended outdoor track program was expected to be

The suspended outdoor track program was expected to be restored for 1977, PSAL commissioner Marty Lewis announced in July, before heading up to the Montreal Olympics. The PSAL sports commissioners met in June and decided on a plan to restore outdoor track(plus golf, handball and fencing), the four sports cut entirely last season while other varsity sports received 10% reductions. Under the new plan, all sports would then have about a 25% cut in paid coaching sessions, thus resulting in the same 31 million savings required last season by the austerity-minded Board of Education.

However, this design was based on receiving no further

However, this design was based on receiving no further cuts from the Bd. of Ed. when the FSAL received its bud-

get for 1976-77 in August the commissioners would be "look-lewis also said that the commissioners would be "look-ing very closely" at their sports to weed out coaches who did not have "viable" teams in terms of participation(not skill). Those teams would be dropped.

November, 1975: The specifics of the final plan were spelled out. A coach will be required to serve during the indoor season, from Nov. 15 to Mar. 15, and would be paid on the basis of 41 two-hour work seasions. He could coach on a voluntary basis--without pay--for the outdoor season. There would be no FSAL outdoor city championship. The FSAL would still sanction invitation meets so that coaches(if any) working on a voluntary basis could enter their athletes.

their athletes.

March. 1976: An informal survey of coaches indicated that about 20-30 per cent of the 78 teams would field squads on a voluntary basis for the outdoor season. That estimate included coaches who said they might be working only with a handful of top-level performers and not with full teams. included coaches who said they might be working only witt a handful of top-level performers and not with full teams. That figure also included the six Staten Island schools, all of which would be operating on a full scale. "These cuts are a tremendous setback," said Lewis. "It's going to put us back ten years. Kids will lose interest and drop out of track. The whole developmental plan of edu-cation is out the window."

In Retrospect: Lewis reported that 22 of the PSAL's 78 teams competed during the outdoor season. Twelve of those were full teams; the others carried 10-15 members. Twenty-nine schools had teams in the Penn Relays. There was no city champs. Staten Island was the only boro with a boro champs. Almost 3,000 athletes competed indoors; about 500 cnamps, Almost 3,000 athletes competed indoors; about 500 competed outdoors. Several coaches quit or hastened their retirement. Not one PSAL athlete was invited to the Golden West meet. There is a scarcity of PSAL athletes on the Outdoor Top-75 Performers listings.

# Women's Track

OVERVIEW: The power of Women's HS track in NY State is exemplified in the settlement over the disparity between boys and girls participation rules. Last year the Year-book reported that the boys legions were trying to get the women to move from four events to three and be the same as the boys, who recently expanded from two to three events. But the women stood firm and retained their fourevent status which, they claim, has been advantageous to their program.

There have been other developments during the past year that also have contributed to the success of women's year that also have controlled the success of women track here in NY. Incidentally, women's track and field should be considered on three scales in NY. There is the burgeoning program of the New York State Public High Schools Athletic Assn(NYSPHSAA). There is the Public Schools Athletic League (FSAL) setup in New York City.
And, still, there are the "open" and AAU events to which
many athletes can turn for additional competition.
Again last year the NYSPHSAA held a fine outdoor

Intersectional championship and supposedly an indoor Intersectional championship and supposedly an indoor title meet is in the works. The league also staged a cross-country championship held in conjunction with the boys' meet. It was a rousing success and boosted distance running emphasis enormously. An Intersectional event must, of course, filter down to the sectional level which, in turn, embellishes the entire program. This also enabled the Yearbook to compile for the first time a full-fledged All-State Women's X-C team, with team rankings, similar to what has been done for the boys.

There are two major X-C additions for 1976: There will

girls championship race in the State Federation meet De a giris championship race in the state rederation meet at Van Cortlandt Fark, Nov. 13, and one of the three girls races in the Manhattan College Invitational(Oct. 9, also at VCP) is being billed as a "Girls Eastern States Championship." Quite a show. The Intersectional is at Bear Mountain(Section 9), Nov. 6, Louise Tricard is still head of the NYSHSAA spring

track program. The cross-country chief was Charlotte Banas of Vernon-Verona-Sherrill(Section) HS. The FSAL is still run by Margaret Wigiser, who fought to retain most of the track program despite the barrage of budget cuts that wiped out boys spring track for the FSAL.

Late word from the PSAL, picked up close to dead-line time, had it that the girls spring season would be complimented by the addition in 1976-77 of indoor track and cross-country. It would be separate from spring track in terms of funds. It would be called Indoor Track with X-C somehow considered part of it.

Last year we brought up the confusion over girls national MS records, after it seemed that too many performances were incorrectly being labeled as such by coaches and in the media. Well, last winter women's Track & Field world finally came out with a set of Track & Field World finally came out with a set of Mational Records, Apparently, this is the list that is widely regarded as "official." It must be noted that for a mark to be considered it must be achieved by a girl representing her high school in a high school meet, thereby excluding "open" marks made by girls representing clubs like the Atoms or Syracuse Chargers, etc.

Since open performances would surpass the MS mark in every event why not also establish a list of oran. Since open performances would surpass the hS mark in every event, why not also establish a list of open records. This would put in perspective what HS-age girls can accomplish. (Incidentally, the 2M record was given to NY's Kathy Mills, 10:53.6 in 1975, The Yearbook cannot print the complete list since it doesn't yet have the new marks made in '76.)

Speaking of the media, newspaper coverage around NY State has increased for girls track events. Some papers are giving boys and girls events almost equal billing. This is expecially true in some unstate series. is especially true in some upstate areas, where the girls --but not the boys--do very well in statewide competition.

Most importantly, instructional camps and clinics and colleges and universities are giving more attention to women's track. More summer camps have women's divisions. NY's Empire Camp, held at the end of August, had billed its staff with prominent figures from the competitive and coaching world including the U.S. women's Olympic coach, Alex Ferenczy, There are also more college scholarships available to outstanding H.S. girls. Many colleges are even setting up a separate women's team. St. John's, Princeton, Cornell and Western Ken-tucky are among those schools that have done so recently.

Following is the Yearbook's annual review of outstanding achievements by NY State athletes in women's cross-country, indoor and outdoor track, for 1975-76. It is meant to be representative, not all-inclusive. To assure attention in next year's edition, sent us for assure attention to 1976-77 campaign. Good Luck!

#### WHAT HAPPENED IN 1976 GIRLS OUTDOOR TRACK

\*\*Ithaca--Pour NYSPHSAA records were broken and one was tied as Section One(Lower Hudson) captured team honors in the 2nd Intersectional track and field championships at Cornell University.

New records went to Sandy Miller of Niskayuna in the 440(56.5), Margaret Hill of Poughkeepsie in the 100-meter hurdles, Arlington in the mile relay(4401.1) and Lillian Giles of Corcoran in the high jump(5-6). Horseheads' Patty Prost equaled the 100 record of 10.9.

In addition to the victories by Hill and Arlington, Section One also got gold-medal efforts from the Millbrook duo of Fam Green(discus) and Sylvia Green(Long jump). Sylvia, a freshman, holds the League record of 18-4. Here she leaped 18-2 as her section piled up 111 points for the title. Section 3 (Central RY) was runnerup with 89, All eleven sections participated.

Miller broke her own record in leading Section 3 to a sweep of the first three medals, in the 440, Hill also broke her own hurdles mark-a 15.0 in the senis. Giles added a mere half-inch to the old stanard of 5-52 reached

Arlington was comprised of Gail Allen, Linda Schuenzel,
Kim Nassar and Lynn Eaton. Eaton also won the 220, beat-Kim Nassar and Lynn Eaton. Eaton also won the 220, beating Prost, who won last year's 220 duel, 24-7 to 24.8.
Lynn's time was 24.8 again. Frost, then a soph, was bothered for most of the season by a knee injury.
Hometown favorite Karin Yon Berg of Ithaca won the 880 in 2:14-4, six-tenths slower than her state mark. The mile went to Lorna Orleman of Kenmore West in 4:57.4, only two seconds slower than her state mark of 4:55.4.

#### WHAT HAPPENED IN 1976 GIRLS INDOOR TRACK

\*\*New York City -- It's called the Colgate Women's Indoor Games, and it has become the world's largest track meet.

In the prelims at Brooklyn's Pratt Institute, where a new 200-meter synthetic surface had been installed, 9,000 girls showed up! They competed in several divisions; grades 1-3; 4-5; 6-8; 9-12(H.S.) and college/open.

The prelims were held on five successive weeks, meaning a girl had to run her event five weeks in a row successfully before reaching the semis. After the semis, of course, came the finals, on Peb. 23 at

Hadison Square Garden.

but it did not count as a record because it was achieved
during a boys' race. Orleman was headed for Boston U.

\*\*Highly-favored Nottingham scored 78 points to win the Central NY title by 30 points. Sisters Carrie and Wendy Pusch won the mile and two-mile, respectively, with times of 519.9, and 12109.7. Carrie, whose best time was 111.6, was headed for lows State, which won the Women's X-C Nationals last fall. Also headed there was Nottingham distance champ Mary Seybold, valedictorian of her graduating class but sidelined with last-season injuries.

\*\*Kathy Mills of Payetteville-Manlius, one of the top \*\*Kathy Mills of Payetteville-manilus, one of the top teenage distance runners in the U.S., went to Fenn State after an injury-plagued spring. She got as far as the Section 3-Clas A mile, winning in 5:14, then fell victim to a stress fracture.

\*\*Karin Von Berg of Ithaca broke the NYSPHSAA 880 record with a stunning 2:13,8 victory in the Section 4 champion-ship meet. Horseheads' Patty Frost swept the sprints(11.3, 25,3) and Union-Endicott's Sally Boettger leaped 5-5 to the listed high jump record, subsequently broken in the Intersectionals.

\*\*White Plains-Maryann Persan of Richmond Hill outran a field of champions from three states in the Loucks Games 880 at White Plains High, Maryann's time was 2:12,1, one

880 at white Flains High. Maryann's time was 2:12.1, one of the best in the nation on the scholastic level. More important was who followed her across the finish lines Joanna Forman of Palmouth, Mass, the AAU indoor 880 champ at 2:07.9; Lalani Kelly of Coclidge HS, D.C., the AAU Junior Olympic cross-country champion; and Sandy Miller of Niskayuna, the NSPHSAA 440 champ and recordholder. Coclidge won team honors and its Sheila Ingram put on some show. She came out of nowhere to anchor Coclidge to the 440-relay title. She won the 100 in a wind-aided 10.7; in the heats she clocked a national-record tying 10.6, but wind mullified the mark. Sheila went on the win the U.S. olympic trials 400 meters.

# arietta:'twigs' to riches

Eight years ago Lance Arietta's brothers helped him pole vault four feet "between two twigs" in the backyard

of their Rockland County home.

In the summer of '75, Steve Smith, the former world recordholder, helped Arietta clear 14-9 at a track camp in Maryland.

In Maryland.

In the winter of '76, Arietta, a Tappan Zee High School senior, equaled or bettered the state indoor record of 15 feet six times and put the new mark of 15-42 into the books. No vaulter in New York could touch him. Among his victories was the State Intersectional title at Cornell, For his remarkable overall effort Arietta was named 1976 Indoor Athlete-of-the-

Arietta's only setback came in the Eastern States meet at Frinceton. Jersey's Bill Hartley topped 16 feet--the first Easterner to do so indoors--the goal Lance had set for himself after 15-0 had become commonplace. The misses rule put Lance fourth, behind two other non-New Yorkers who had also made 15-0 in quite a memorable vault competition.

other non-new torkers who had also made 13-0 in quite a memorable vault competition.

At 5-7 and 145 Lance is relatively small for high-caliber vaulting. But what he lacks in size he makes up for in scholarship. He is an ardent student of technique, digesting literature, watching films and seeking the advice of experts.

The advice of experts." recalled Arietta. "we cut down trees in the backyard. My brothers helped me. We shaved off the bark. It was great."
Such early exposure to a complex event led to early

Such early exposure to a complex event led to early competition, too, and Lance got over 10-0 in junior high. He improved to 11-9 as a TZ freshman, then 13-0 as a soph and 14-6 as a junior for the silver medal in the Eastern outdoor meet. His coach is Bob Tucker.

Sprints: Steve Strother, New Rochelle junior, turned in one of the most versatile sprint efforts ever indoors by a New York athlete. Steve won the Eastern 60 in 6.2, took the Loughlin and St. Francis 100's in 10.7 and 10.0 and won the State Intersectional (MarFeafter S.I.) 300 in 31.5. He had a 31.3 at oversized West Point to boot. The big one that got away from him ended up in the cubby of Adley Raboy of Maine Endwell. That was the S.I. 60, taken by Raboy for the second straight year. Last year his 6.1(in a heat) equaled the State record. In '76 he clocked 6.3, the same time as runnerup Strother. The decision was reversed five days earlier in the Easterns when Raboy followed Strother across the line. Among the other top dashmen was Bernard Nesby of Jefferson, who won the PSAL 100 in 9.6, axed from record listing because the starter's pisted did not show a flash.

Long Sprints: Chasing Strother to the tape in the S.I. 300 was another junior, Tony Tufariello of Hewlett, timed in 31.7. Tuff also had a state-leading 31.5 for third in the Easterns, where yet another junior, Jackson's Steve Skinner, placed fifth in 31.7...\*ith the abolition of the Mayor's All-City mest because of the FSAL budget outs, there was no hot end-of-season 440. Richard Outlaw of Eryant took the FSAL event in 51.2 mt. Vernon's Walt Kirkland won his lone effort in 51.1 at the Mayes Games and then accounted for a succession of rugged 600 marks topped by his State record of 1:12.4 in the S.I. He had run an oversized 1:11.7 at West Pt. (Only two other U.S. runners ran faster in '76.)

ran faster in '70.1'

Middle Distance: NY had four nationally ranked in the 1000, led by Eastern victor Ranon Severino of Washington at 2:13,3. Severino also had a classy half-mile mark of 1:55.5 to win the FSAL Two strides behind Ranon in the Easterns was Chaminade's Joe Swenson, 2:13,7 for the bronze medal.

"Dan Fredmore of Fairport, a brute of a runner who favors soccer to cross-country, came out of the woodwork, as they say, and ran a nifty 2:14,7 1000 in addition to winning the Eastern mile title in 4:13.8, fifth in the U.S. Power's smooth Maurice Meaver won the CHSAA mile in 4:14,4 powers smooth Maurice Meaver won the CHSAA mile in 4:14,4 powers smooth Maurice Meaver won the CHSAA mile in 4:14,4 powers smooth Maurice Meaver won the CHSAA mile in 4:14,4 powers smooth Maurice Meaver won the CHSAA mile and a 4:14,4 powers are the same track the previous week in the CHSAA prelims. His time was 9:04.2-almost a full lap ahead of his nearest opponent. The S.1. saw a great 2M as Bave of Conor, Yalley junior, outleaned Nottingham's Jerry Scholder as both clocked 9:11.8. Jim Shields of Chaminade was able to sneak in a M effort in the Jersey AAU and nabbed able to sneak in a M effort in the Jersey AAU and nabbed third in a State record of 14:24. ..also had an 8:32.4 3000.

Hurdles: It was an unspectacular winter for NY hurdlers. Not one made the Eastern finals. Times were moderate, after Nepham's John Kowalsky suffered a January injury and never made it back. (He pulled up in the S.I. heats). John had posted a snappy 7.2 at the State Armory. Thus, the S.I. went to Farmingdale junior Faul Lankford, the CHSAA to St. Agnes' Tim Hanlon and the FSAL to Wingate's Renford Himes.

Field: Namuet's Tony Harlin was the nation's 2nd best shot putter at 62-02...For yault success, see left column...Elmira's Eric Howard set a State junior LJ mark of 23-1 3/4 in the S.I....Consistent Tom Jedlicka (W.Islip) finally HJ-ed 6-10, in the S.I...Yaughn Curry of Great Neck South went 3-for-3, taking the Nassau, Lasterns and S.I. TJ titles with a best of 46-102.

Relays: Among the top efforts: South Shore's 22.8 hurdles trio; Molloy's 2H running(7:58.4, 7:59 and 7:53.6 for 3200); and Fower's distance medley marks(10:29,10:26.6, 10:28 and 10:2)

FOX ON THE RUN

# Luis, Luis

Like a ballplayer pointing to the bleachers and slugging a homer, Luis Ostolozaga announced he was running after the Van Cortlandt Park courserecord, and he got it with room to spare to highlight one of the most successful seasons ever registered by a New York State cross-

ful seasons ever regastered by a new lork State cross-country furner, Ostolosaga, a Bishop Loughlin(Brooklyn) senior who was only 16 for most of the fall campaign, ran 12:16.4 in the Christian Brothers meet, to break the old 2.5-mile stan-dard of 12:20.9 set in 1972 by Dave Sandridge of Maryland. Late to the country of the standard of the control of the country cluding State Federation and CHSAA victories, to set an all-time NY State win mark. The only blemish on his nearall-time n: state win mark. The only blemish on his hear-perfect record came in the rain-delayed Easterns-on Thanksgiving weekend this time--when Jersey's Chris Hall-inan maintained a 15-yard margin all the way home. Overconfidence may have set in since Luis' course record had come the previous week.

Ostologaga's other Van Cortlandt triumphs were in the Manhattan and CHSAA sectional meets. Strange courses had no effect on him. He also won at Bear Mountain (Magnus), Schenectady(Grout), Poughkeepsie(Marist) and Cortland (States). For his efforts he was named to The Harrier's 1975 High School All-American team--one of 50 so chosen

from around the U.S. Two other New Yorkers named to the squad were Jim Shields of Chaminade and Dave O'Conor of Valley Central. Shields won 5 of 9 major races, losing only to Ostolozaga and All-Americans hevin Byrne of New Jersey and Scott Haack of Virginia (in the Eastern USTFF). a junior, had five victories; including the individual section of the Federation meet. Two of his three setbacks were to Shields(in the Easterns C section) and All-American Alberto Salazar of Wayland, Mass, who came close to the old Van Cortlandt course mark during a downpour in the Manhattan meet.

The remainder of the All-State first team is Steve Martines of Commack South, Doug Moreland of Iroquois, Jim O'Shea of Monroe-Woodbury and Mike Wyckoff of South Sen-eca, Martinez had six titles, a second in the Inter-sectionals and a sixth in the Federation, Moreland dominated upstate action, including a big McQuaid win, and was third in the I-S. O'Shea's gold medals included the I-S A section, and Wyckoff took the C division with the

meet's fastest time.

Mark Taylor of upstate Wilson, last year's leading freshman, was this fall's top soph. He gobbled up course records in his area en route to a Section 6-C crown and then placed 6th and 5th in Statewide activity. It was a year for tough newcomers too, especially a pair of fresh-men from opposite ends of the state. Greece-Arcadia's men from opposite ends of the state. Greece-Arcadia's Jim Coddington was strong from the first meet on and west Rabylon(LI)'s Terry Tracy came on strong at the end. They were 15th and 14th, respectively in separate Federation races, as both hit the same 1517 time. Frior to the States Coddington won varsity titles and was rated one of the nation's top first-year runners.

Only three teams were able to sustain their early-

season strength. Greece-Arcadia made a mess of upstate events and beat Walt Whitman in the Intersectional A. events and beat walt whitman in the intersectional A. whitman turned the tables the following week, beat Arracadia in the Federation(see next colum). Albertus Magnus, last year's Number-one team, won the I-S B and took a close third in the Feds. (The I-S C champ was South Jeff-

NY City, Molloy and Wagner won Catholic and Public Schools titles. In the latter meet Wagner's Rich Harder was the individual champ; Tilden's Kent Simon took the FSAL's "Individuals"-only run.

Arlington was tops in Section 1, with fourths in both Arlington was tops in Section 1, with fourths in both statewide meets, and with only one senior in the top five. Shaker and Glens Falls were Section 2 powers, with the latter superior in the title races after fared better in Invitationals. Christian Brothers of Syracuse had an upand-down season, highlighted by 7th in the Feds, and led Section 3, where Liverpool also was very strong. Vestal and Ithaca were tight all season, with vestal a slim Section 4 victor but Ithaca 100 points up in the Feds. Rush-Henrietta's tough squad was overshadowed by Arcadia in Section 5

The usually strong Section 6 and Western NY teams showed, led by St. Joe's and Lockport, had off-years with weak statewide efforts. Section 8 was led by Elmont and JFK-Bellmore. The biggest advancements continue to be made in Sections 9 and 11, which combined for 8 teams in the state's top 30. Monroe-Woodbury ran like gangbusters at the end. Whitman left Pt. Jefferson well back after losing by three points to the Royals in the first meet of the season.

The 1976 Meet The 3rd annual meet moves back to Van Cortlandt Park.

the Bronx, site of the 1st meet in 1974. The date will be the second Saturday in November--Nov. 13, at 11:30. The meet director is Joe Fox of the NYC Catholic High Schools AA. The qualifying format will remain the same At press time it was also expected that the meet would have a girls individual race(not a team race) for the first time. It was figured that the girls would run either a 2.0 or 2.5 course. The boys use a 3.0 route. The record of 15:02.4 was set in the lst meet when Dave Dobrzynski of CBA-Syracuse won the team section.

One of NY's greatest rivalries ended last spring. Maurice Weaver of Power Memorial, at left, and Luis Ostolozaga of Bishop Loughlin met at least two dozen times at 880, one mile and two miles over a two-year span. Overall, it was pretty much a tossup. Weaver is seen anchoring Power to the Penn Relays distance medley crown, with Ostolozaga, obscured, in 2nd. Luis is shown winning the Marist X-C Invitational, one of his 12 major harrier titles. Weaver photo by Steve E. Sutton/DUOMO.
