## 8 MEET MARKS SET IN SCHOOL GAMES

Continued From Page One

lock for second position among the high schools with 11 tallies each, while Mercersburg Academy of Mercersburg, Pa., was the prep runner-up with 20. Drake Prep of Manhattan was third with 18 credits.

The pair of defending individual champions who were defeated were Jerome Keating and Arthur Willis, both of St. John's Prep of Danvers. Keating finished a disappointing fifth in the 880-yard run, an event which found Edward Donovan of St. Benedict's snapping the worsted in the time of 1:59.2 for a meet record. Donovan, who beat his closest rival, Edward Dunham of St. John's Prep of Brooklyn, by six yards, bettered the 1935 mark of 1:59.6 recorded by another St. Benedict's boy, Al Frey.

The other Massachusetts boy, Willis, lost his crown after a thrilling duel with John Quigley of De La Salle Institute of Manhattan in the 220-yard dash. The victor in this event also came through for a new meet record, slamming around the boards in the excellent clocking of 0:23.7 to beat Willis's 1935 record of 0:23.8.

### Only Double Winner

Quigley, incidentally, was the only double winner of the day. The De la Salle lad also showed his heels to the field in the 60-yard dash. The watches were stopped at 0:06.6 as Quigley outran John Luzzi of Christian Brothers Academy of Syracuse. Quigley was one-tenth of a second back of matching the 0:06.5 showing of Jack White of Mercersburg in 1934 and that of

Vincent Healey of St. Benedict's, who made the same time in 1935.

Only one performer repeated his 1936 triumph during the meet. That distinction was gained by Joseph McCort of La Salle Academy of Manhattan. McCort threw into the discard his own record of 5 feet 11½ inches for the running high jump when he retained his title with a leap of 6 feet 1½ inches.

The high school mile run was easily the stand-out event of the card, and MacMitchell, in racing to victory, defeated his old rival, Bradley Rendell of Falconer High of New York.

Content to stay at Rendell's heels for the greater part of the jaunt, the long striding MacMitchell put the pressure on Rendell with four laps to go. He then proceeded to win as he pleased, the margin being sixty yards.

# National Interscholastics

A pair of national indoor records and victories by both individual defending champions highlighted the 30th annual AAU Interscholastic Track and Field Championships, held on Madison Square Garden's 160-yard board track on Saturday, February 23.

Archbishop Molloy won the team title with 13 points, as defending champion Plainfield (NJ) had to settle for a tie for second with New Rochelle (NY).

Molloy's Jim McDermott smashed his own national two miles standard of 9:29.8 which he had set earlier this year by whipping around the 22 laps in a swift 9:23.5. 2d, 3d, and 4th finishers also broke the old mark.

In the 440, defending champion Tim Johnson of Rindge Tech (Cambridge, Mass.) shattered the 24-year-old meet record of 50.1 with a new national indoor mark of 49.6. The old record of 49.7 was set by Don Payne in 1962.

Del Benjamin of La Salle successfully defended his high jump crown by leaping 6'5", an inch below his winning height of 1962.

**60 YARDS** - Heats won by: Wright 6.4, McIntosh 6.4, John COLLINS of Cathedral (Springfield, Mass.) 6.5, and Joe WILLIAMS of Haddon Heights (NJ) 6.5. First semi-final: Wright (6.4) beat Collins and James GRIFFIN of Rindge Tech (Cambridge, Mass.). McIntosh won the second semi from Williams with Wilson third. Runoff of third-placers: Griffin beat Wilson.

In the final, Williams, an 18-year-old senior, broke cleanly on top and stayed there all the way to win by a foot.

1, Williams 6.5; 2, McIntosh; 3, Wright; 4, Collins; 5, Griffin; 6, Wilson  
**440 YARDS** - 1, Johnson 49.6; 2, Ashurst 50.2; 3, Macafity 50.2; 4, Gus Johnson 51.6; 5, Grimes 51.8; 6, Habron 52.0.

Tim Johnson, who won this race in 1962 in 50.2 while competing for Boston Trade, showed his class by winning the first heat in 50.9. The 5'8 3/4" 140-pounder who will be 19 in March, defeated Johnson (51.5) and Habron (52.4). Steve Ashurst won the 2d heat easily in 51.5, and New York State outdoor 440 titlist Macafity edged Grimes in the 3d heat (51.5 for both). Those six fastest qualifiers made the final, run in two sections. Johnson got out in front at the start of the final and was never headed.

**1000 YARDS** - 1, Urbina 2:15.1; 2, Kearney 2:15.6; 3, Michael DUNN, Boston Tech 2:17.2; 4, Erskine 2:18.6; 5, Bass 2:19.8; 6, Dean MURPHY, Boston College High 2:21.7.

Urbina led all the way in 57.1 and 1:59.3. His 2:15.1 narrowly missed the meet record of 2:14.9 set last year by Gene Tetreault of Hartford Public.

**MILE** - 1, Warner 4:21.2; 2, Reynolds 4:24.1; 3, Ryan 4:25.8; 4, Camien 4:27.6; 5, Bob POWERS, Randolph (Mass.) 4:29.5.

Jim Warner turned the tables on his early-season conqueror, Reynolds. Warner led in 68.8 and 2:13.9. Bob Fleming moved into the lead at the 1320 in 3:18.8 with Warner right on his shoulder. The final was run in two sections on a time basis, and the winner of the unseeded section, Bob Camien, whose

8--March 8, 1963

brother John won this race in 1961, ran fast enough to place 4th overall. Unplaced was Ed Coleman, who ran 4:18.5 as a sophomore in 1961.

**2-MILE** - The 2-mile run was probably the best race of the meet, featuring both tremendous competition and fast times. Gilberti set the pace for the first 440 (66.2) and then McDermott (66.4) moved into the lead (2:14.3 and 3:21.3). He was trailed by Gilberti and Walsh, while the others had lost contact. McDermott's spurt proved costly, however, and he slowed to a 75.9 in his 4th quarter, passing the mile in 4:37.2, a few yards behind Gilberti. At 1 1/4: Gilberti 5:49.9, Walsh 2d, McDermott 5:50.4. At 1 1/2: Gilberti 7:03.9, Walsh 2d, McDermott 7:05.2.

Then, when things looked darkest for him, the national record-holder made his move. Picking up the pace to a 71.9, he moved past Gilberti and Walsh and passed the 1 3/4 in 8:17.1. Walsh was now beginning to fall behind and sophomore sensation Donnelly passed him and moved into 3d. Looking like a champion again, McDermott poured it on with a 66.4 last 440, but Gilberti stubbornly held on and even on the last lap looked ready to challenge.

1, McDermott 9:23.5; 2, Gilberti 9:24.5; 3, Donnelly 9:25.5; 4, Walsh 9:29.1; 5, Gustafson (soph) 9:34.2; 6, Tom MULLIGAN, Cardinal Spellman 9:42.8; 7, Hamilton 9:48.0.

**60-YARD HIGH HURDLES** - 1, Wilson 7.5; 2, Leon COLEMAN, Boston Trade; 3, Freeman; 4, Foster; 5, Reed; 6, Donovan.

Paul Wilson won his heat in 7.6. Others: Coleman 7.8, Sumple 7.9, Donovan 7.7, Foster 8.0. Coleman improved to 7.6 in winning his quarter-final. Wilson and Freeman won in 7.7 and 7.8. In the first semi, Coleman defeated Freeman and Donovan in 7.6, while Wilson won the other in 7.7 from Foster and Reed. Runoff for 5th place: Reed edged Donovan.

In the final, Wilson got only an average start, but he proved superior to his rivals in clearing the four 42" hurdles and won a clear decision from Coleman in 7.5. He later said he had feared Coleman the most, and he had been working on the third hurdle in practice during the preceding week.

**HIGH JUMP** - Frank Costello, who had upset Benjamin in December, did not compete because of an injury. Benjamin cleared all heights, 5'11" through 6'5" on his first jump. Wilson did not miss until 6'5". Smith missed twice each at 6'2", 6'3", and 6'4", while Platt missed twice at 6'3" and 6'4". Pratt was injured and did not jump after 6'2".

1, Benjamin 6'5"; 2, tie: Alfred SMITH, Boston English; Wilson; Platt; Edward MULVIHILL, Christian Brothers Academy (Lincroft, NJ); Pratt 6'2"

**SHOT PUT** - 1, Nazaruk 60'1 1/4"; 2, Hondru 58'5"; 3, DiBiase 58'1"; 4, August ZILINCAR, Christian Brothers Academy (Lincroft, NJ) 56'8 1/2"; 5, Choquette 54'5"; 6, Tom OBROTKA, Bergen Catholic (Oradell, NJ) 53'; 7, Rodgers 52'10 1/2"; 8, Eppensteiner 52'10".

Nazaruk's series: 56'4 1/2", 60'1 1/4", 58'9", F, 55'11", F, 58'3". Hondru, 3d last year: 57'2", 53'11", 56'1 1/2", 55'8" 55'5 1/2", 58'1 1/2", 58'5".

**1000-YARD RELAY** - The six fastest teams in the heats qualified for the two-section final: New Rochelle (NY) 1:48.1, Lower Merion (Ardmore, Pa.) 1:48.4, Wingate 1:48.8, Abington (Pa.) 1:49.9, Lane 1:50.0, McClancy 1:50.2. New Rochelle missed the meet record by one tenth of a second in the final.

1, New Rochelle (Hunter, Wynn, Burke, Hazlewood) 1:47.5; 2, Lower Merion 1:48.3; 3, Wingate 1:48.6; 4, Abington 1:49.6; 5, McClancy 1:50.3.

**MILE RELAY** - 1, Boys (Brown 52.5, Youngblood 52.9, Dubinsen 51.1, R. Johnson 51.1) 3:27.6 (3:29.2h); 2, Bishop Loughlin 3:28.3 (3:29.9h); 3, Fordham Prep 3:29.3 (3:29.3h); 4, Lawrence 3:30.2 (3:30.5h); 5, LaSalle (Providence, RI) 3:30.2 (3:30.2h); 6, Stepinac (3:30.2h).

**2-MILE RELAY** - Archbishop Stepinac moved out ahead on the last exchange, but Leon Munro of Cardinal Hayes ran 1:54.7 to win.

1, Cardinal Hayes (McKinney 2:03.5, Jorif 2:03.5, Henry 2:00.2; Munro 1:54.7) 8:01.9; 2, Stepinac (Pokorny 2:03.2, Lamb 2:01, Donaton 1:58.9, Hernon 1:59.9) 8:03.0; 3, Archbishop Molloy (Farrell 2:00.7, Doyle 2:02.7, Dean 2:03, Zieminski 1:56.6) 8:03.0; 4, St. Francis Prep 8:03.5; 5, Boys (Smith,

## **A brief history of the National High School Track & Field Championships -**

From 1927 to 1965, Madison Square Garden, located on 50<sup>th</sup> Street and 8<sup>th</sup> Ave, was the main site for the Amateur Athletic Union (AAU) Men's Track & Field Championships. Beginning in 1934, interscholastic high school races became an integral part of the program. They were often held in the morning and afternoon before the senior championships in the evening. This setup allowed young athletes to compete on the iconic 160-yard wooden banked track known as "*The Boards*", in front of large crowds, blending emerging talent with established stars. Key features were the tight turns and close proximity to fans which created a unique atmosphere that was integral to the history of indoor track at the Garden.

This prestigious meet is considered the lineage of the current Eastern States Invitational, the country's oldest *high school only* indoor track meet. Referred to as the "National Interscholastic Indoor Track & Field Championships" at the time, it was primarily a prestigious East Coast event drawing top talent, rather than a recognized national championship consistent with a national scope in the modern sense. With that said, in the 32-year history of the meet it was only in that first year, 1934, that it was referred to as the Eastern Interscholastic Indoor Track & Field Championships. From 1935 to 1965 it was billed as the AAU National Indoor Interscholastic Track & Field Championships. The meet remained at the Garden until 1965, after which the AAU moved its national championships to various locations. In 1966, the high school competition was rebranded as The Eastern States Indoor Track & Field Championships and moved to the 168<sup>th</sup> Street Armory in the Washington Heights section of Manhattan. Additional information about the Eastern States Championships can be found at [sjtrackblog.com](http://sjtrackblog.com) and [jacobbrown.com](http://jacobbrown.com).

The next step towards a national meet was the Pathmark National Scholastic Classic, which took place at Jadwin Gym at Princeton University in 1984. Again, with a few exceptions, competitors were primarily from high schools in the northeast. The meet moved frequently in its early years, including stops at Yale University, the Naval Academy, Syracuse University, and Boston.

In 1999, the event moved to Ohio State and became known as the Nike Indoor Classic. This marked the beginning of a long association with major sponsors like Nike and the National Scholastic Athletics Foundation (NSAF), which helped formalize a national championship structure.

In the early 2000s, multiple national level meets emerged, often due to changes in sponsorship and organization. The National Scholastic Indoor Championships (NSIC), Nike Indoor Nationals (NIN), New Balance Nationals Indoor and Adidas Track Nationals have also become premier high school indoor championship events, leading to several high-level meets in a single season.

The NSAF has been organizing high school indoor nationals since 1984. It's hard to untangle the history of indoor national meets, however, a well-researched attempt is also found on [sjtrackblog.com](http://sjtrackblog.com).

Today's structure means high school track and field athletes have multiple opportunities to compete against top talent nationwide at different sponsored events, each offering a claim to a "*national*" title, but none are part of a unified, officially sanctioned championship under a single national governing body.

*Madison Square Garden legacy* – “The Garden”, also known as “The World's Most Famous Arena”, was a central venue for high school indoor track and field for decades. While it is not the location of the *modern era* (post-1980s), more formalized national championships, its history is deeply intertwined with the development of high school indoor track in the United States.
