FOREWORD

In all respects, this 1972 edition is the most comprehensive annual ever published by New York State Scholastic Track. There are more features and statistics than ever before, and the photos, which now number 41, picture most of the state's leading athletes and many of the finest competitive events of the past year.

The '71 edition was sold out, so the press run for this edition has been increased to accommodate the greater demand. All readers are asked to take note of ads concerning the bi-weekly Newsletter, which provides regular track coverage throughout the year at a reasonable price.

The leagues and associations that govern scholastic track in New York do an excellent job. However, NYSST believes that some of the rules imposed on athletes and competition by various groups are restrictive at times and do not provide for full recognition of outstanding achievements. For the most part, therefore, NYSST follows the policies (some are noted below) of Track & Field News with regard to records and statistical compilations.

The '71 outdoor lists considered all marks made during the 12-month period beginning Sep't. 1, 1970 and Aug. 31, 1971. Class marks are the best performances made by athletes while competing as freshman, sophs, juniors and seniors. An athlete is considered to be a junior, for example, until the 1st of September prior to his senior year.

Furthermore, for purposes of maximum completeness, no performances have been excluded because of type of meet, form of competition or placing in an event. In cases in which anemometers were not in use during sprints, hurdles and horizontal jumps, decisions concerning wind velocity were made on the basis of reliable reports by seasoned correspondents.

Some performances were tailored to abide by international rules. All marks recorded in races of more than one mile were rounded off to the nearest fifth slower than the actual clocking (9:21.3 2-mile becomes 9:21.4). All fractions in distances over 100 feet--which apply to the DT, JT and HT--were eliminated. All other field marks with fractions in eighths were reduced to the nearest $\frac{1}{4}$ below the actual mark. An exception is made when there is a conversion of meters to feet; in this case, the eighths remained, as in the state indoor HJ mark of 6-11 $\frac{1}{8}$. Also, with regard to indoor competition, oversized tracks are greater than 220 yards. Except for sprints and hurdles, performances made on such tracks have been indicated by asterisks and were not considered for records. (Other statistical explanations appear throughout the book.)

Often used are the following abbreviations: n-non-winning; h-heat; m-meters; *-junior; **-sophomore; ***-freshman. Indoors, the top 10 and top 20 are listed in the '71 and all-time lists, respectively. Outdoors, the top 20 and 50 are listed.

Sprint rally highlights '71 season

NYSST/Outdoor Review

Quality sprinters surfaced in all parts of the state last spring to highlight a 1971 outdoor season also marked by unprecedented depth in the high jump and pole vault.

From Long Island to Buffalo, 9.9 100's became relatively commonplace as 28 dashmen broke 10 flat with legal times and another six did it with the aid of wind.

Heading the parade was Bill O'Connell of Gates-Chili(Rochester), who posted double sprint wins week after week—including the Intersectional—while clocking bests of 9.5, 20.9s and 20.8t. The latter mark, which shattered the state record, was the nation's second fastest and has been bettered by only five other preps in history.

Sheepshead's(Bklyn) Mike Sands also had a 9.5(& 9.3w) and added a victorious 21.2t in the Easterns. But the big shocker came at the season's close, when Steve Williams of Evander(Bronx) exploded past everyone. Having run a third-place 9.8 in his only major spring 100, he posted 9.6 and 9.4 in late June while taking the Met AAU and local Junior Olympic titles. The latter effort equaled Trenton Jackson's decade-old state record and also drew Harold Williams(Newtown,Elmhurst) to a 9.5.

Steve proved he was no fluke by adding a windy 9.5 in early July and was still competing in development and junior competition when this edition went to press,

Sands ran his first 440 in late May and cruised to a 48.0 win. The next week he burst to a national-ranking 47.2 in the PSAL, then took fourth in the Golden West(47.5). At press time he was also competing—for the Bahamas in the Central American and Pan American Games.

Don Brown(CBA,Syracuse) ran undefeated in upstate races including a second straight Inter-Diocesan 440 title. He then upset Jim Redd(Hamilton,Elmsford) in a come-from-behind Easterns win(48.2). Redd's best was 47.8.

Boys'(Bklyn) Bill Wallace and Gary Gordon, 48.0 and 48.3n, completed an impressive 440 quintet as 27 runners bettered 50.0 in this banner year.

Those high jumpers were led by

Bill O'Connell, Bethpage junior, and Bruce Groneveldt, LaSalle(NYC) senior, both of whom cleared 6-8. Farmingdale's Jay Meisler, a soph, did 6-7, as did Liverpool's Mark Heistand. In all, 19 bettered 6-5, thereby qualifying for the all-time list.

The 880 suffered a bit with Mt. Vernon's Steve Groom out with a season-long injury and Power's Ray Naudain never approaching his '70 form. But Sewanhaka's(Floral Pk) Bob Marman ran predictably well, 1:52.1n, and led rival Bob Ancona(Bethpage) to a 1:52.9n. Boys' Bill Dabney, a soph, added a 1:53.9n(1:52.9r) with what one veteran coach called "remarkable competitive instincts."

The distances lacked any stars, but both the mile and two-mile saw great depth. Cliff Mandel's(Sewanhaka) state-leading 4:15.6 and big upstate wins by Dan Ambrose of Aquinas(Rochester) in the Inter-Diocesan (4:18.4), Rich Langford of Voorheesville in the Eddy(4:18.3) and Tim McMullen of Spencerport in the I-S(4:19.4) highlighted the four-lappers. Twenty athletes bettered 9:29, including nine from the CHSAA, led by Tom Nolan's(Sacred Ht,Yonkers) 9:17.

Mike Young was added to Mt. Vernon's long list of championship hurdlers with bests of 14.0(HH), 19.5(LH) and 37.5(IH). Andre Harris of Bushwick(Bklyn) was a 14.0/19.2 doubler and Oceanside junior Art Campbell led the lows, 19.0.

Mt. Vernon's Ken McBryde won every major TJ title(see P. 10) and claimed an assortment of records with a best of 50-10½(52-6½). Riverhead's Greg Flippen was almost as successful in the LJ(24-8 3/4w,24-3 3/4), taking his 4th straight state title.

Brad Armstrong,Clarke junior, led 28 vaulters over 13-0 with a best of 14-4½. Jerry Hannon of Levittown Mem(186-3) and Ralph Peretta of Trinity(62-11½) were the weight leaders.

The relays were paced by Boys,41.8,1:27.6 & 3:14.0 & 7:47.4n, and Sewanhaka,7:42.8 and 10:14.2n.

Cliff Mandel of Sewanhaka, 4:17.4, is edged by Hackensack's (NJ) Kevin Conheeney, 4:17.3, for Eastern mile title. Clarke's Dan Diaz is third

NYSPPHSA: fieldmen outclass runners

NYSST/League Review

Field men and an explosive sprinter carried the New York State Public High Schools Athletic Association to another progressive season, capped by an eventful Intersectional meet held in the heat in Endicott.

Bill O'Connell of Gates-Chili(Rochester) posted times of 9.5, 20.9s, 20.8t en route to a double win in the I-S, where he ran six races. Mt. Vernon's Ken McBryde led the field men with his record-smashing triple jump exploits(50-10 $\frac{1}{2}$, 52-6 $\frac{1}{2}$ w). Riverhead's Greg Flippen won an unprecedented fourth state LJ title and had bests of 24-3 $\frac{3}{4}$ (24-8 $\frac{3}{4}$ w).

Three high jumpers--Bill O'Connell(Bethpage), Jay Meisler(Farmingdale) and Mark Heistand(Liverpool)--bettered the previous league record. Jerry Hannon(Memorial, Levittown) hit 186-3 in the DT and Clarke's(Westbury) vaulted a near-record 14-4 $\frac{1}{2}$.

Section 8(Nassau) won its 19th I-S title. The scores: 8-90 $\frac{1}{2}$, 1-58, 11-38, 5-25, 2-23, 6-23, 9-13, 3-9, 4-5 $\frac{1}{2}$, 10-3. Bethpage, led by half-miler Bob Ancona, was the top team with Mt. Vernon, headed by hurdler Mike Young, was next. Sewanhaka, with state leaders Bob Marman(1:52.1n 880) and Cliff Mandel(4:15.6 mile), posted outstanding clockings of 7:42.8(two-mile) and 10:14.2n(DMR) in the relays. Jim Redd was the top quarter-miler. The Hamilton(Elmsford) runner ran 47.8.

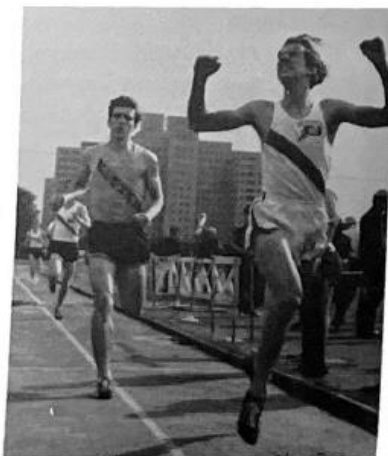

CHSAA: athletes go the distance

The Catholic High Schools Athletic Association strengthened its reputation as a distance running power last season as nine runners broke 9:30 for two miles amid three field records and an exciting championship meet.

Tom Nolan(Sacred Ht, Yonkers) led the distance men with a state leading 9:17 in addition to a 4:17 mile. Not far behind were Kevin McCarry of Cathedral(Elmhurst), 9:17.6n, and James Harmon of St. Agnes(Rockville Cent), 9:17.8n. St. Anthony's(Smithtown) had the top mile time of 4:16.5n.

Molloy, Bklyn Diocese winner, defeated LaSalle, NY champ, 47-39 $\frac{1}{2}$, in the Memorial Day title meet on a puddle-strewn Downing Stadium track. St. Francis(36) and developing Trinity(33) came next.

Field marks were set by Bruce Groneveldt of LaSalle in the HJ(6-8), Ralph Peretta of Trinity in the DT(172-5) and Martin Green of Mount in the LJ(23-63/4) Peretta also threw the shot 62-11 $\frac{1}{2}$, and other top teams were Chaminade, Power and Sacred Heart.

The leading sprinters were Reg Brandveen of LaSalle and John Owens of St. Francis. The St. Ant. miler(4:16.5) is Dan Strockbine.

NYSCHSAA: Brown stars as quality deepens

NYSST/League Review

Mike Holdridge Photo

Dan Ambrose of Aquinas leading Jim Robinson and Alex Trammell to the tape in the I-D mile

Don Brown of Christian Brothers(Syracuse) completed a brilliant three-year career last spring by capturing the Eastern 440 in 48.2. But that was only one of many fine accomplishments made in the New York State Catholic Schools Athletic Association, which enjoyed perhaps its finest year in history. The league put it all together in its Inter-Diocesan meet in Albany. A 4:18.4 by Dan Ambrose in the mile, a 1:55.7 880 by Darryl Youngman and a 8:00.8 by a senior-less CBA(Albany) quartet were some of the highlights in a meet won by the Buffalo Diocese with 73 points. Rochester(66), Albany(61) and Syracuse(51) trailed. Top teams were CBA squads from Albany and Syracuse and St. Joseph's of Buffalo.

PSAL: sprinters on the move

The PSAL, traditionally a sprinting mecca, surpassed even its own expectations last spring. The top individual was Sheepshead's Mike Sands, 9.5, 9.3w, 21.2t and 47.2, to rank as perhaps the nation's finest all-around sprinter. Evander's Steve Williams equaled the state mark of 9.4; Harold Williams of Newtown ran 9.5. Boys won the title meet with Jackson, Bushwick, Newtown, Sheepshead and Bklyn Tech trailing. Other top athletes were Bushwick hurdler Andre Harris, Adams two-miler Mike Wilson, Boys' Bill Wallace and Gary Gordon in the 440 and soph Bill Dabney in the 880. Boys depth produced the hottest set of relay marks in years--41.8, 1:27.6, 3:14.0 and 7:47.4n.

McBryde does it all

McBryde sets marks in Eddy Games and Easterns, 49-8 $\frac{1}{4}$ and 50-7 $\frac{1}{2}$

NYSST/Top Athlete

The goal had been 50 feet all year. Ever since Mt. Vernon's Ken McBryde had triple jumped 49 feet as a junior, there was that magic figure that only six schoolboys had ever attained.

But McBryde surprised even his coaches, Dave Rider and Bob Brooke. He jumped 50 feet several times, once soaring 52-6 $\frac{1}{2}$, which would have equaled the national record if not for a 6 mph wind. He had an undefeated season, winning twelve major TJ championships including the Intersectionals, Easterns and Golden West.

Since he decisively beat two other 52-footers at the GWI, he can be labeled, with little hesitation, the nation's outstanding scholastic triple jumper of 1971. And, without any doubt, he is New York State Scholastic Track's Athlete-of-the-Year.

McBryde started the spring season with a pretigious Penn Relays triumph in 49-3 $\frac{1}{2}$. He cruised to 45-9 in the Section 1 Relays, then opened eyes with a 49-8 $\frac{3}{4}$ in the cold at the NY Relays. Now, 50 feet seemed assured.

After a few unimpressive victories, the Westchester senior renewed his struggle with 50-0 by taking the Eddy TJ in 49-8 $\frac{1}{2}$. Wind knocked out a 50-8 $\frac{1}{2}$ in the Section 1 A, but McBryde kept his cool and hit legal jumps of 50-5 and 50-7 $\frac{1}{2}$ in the Section open and Easterns. He won the Intersectionals in 49-5 and also had a legal State record leap of 50-10 $\frac{1}{2}$ in addition to his 52-footer at the Golden West.

McBryde was also a fine long jumper, achieving bests of 22-11 $\frac{1}{2}$, 10th in the State, and a windy 23-2. Indoors, he leaped 48-8 for a State record. He is bound for New Mexico.

NYSST/Top Athletes

Bill O'Connell of Gates-Chili(Rochester) and Mike Sands of Sheepshead(Bklyn), two of the nation's outstanding scholastic sprinters, are the leading NY'ers in the running events for 1971.

Both had 9.5 100's to their credit. O'Connell shattered the State 220t mark with a blistering 20.8. Sands, who posted a 21.2t, also ran a national-ranking 47.2 440(& 9.3 windy 100). O'Connell was unbeaten through the Intersectionals while Sands won in the NYC PSAL and the Easterns. Both lost in the Golden West. They never raced each other.

The leading junior runner was Kevin McCarry of Cathedral(Elmhurst), a 9:17.6n two-miler. Topping the field men was another O'Connell, Bill of Bethpage, a 6-8 high jumper..Boys(Bklyn) Bill Dabney, 1:53.9 in the half and 4:25.3 mile, and 6-7 jumper, Jay Meisler of Farmingdale, lead the sophs. Jerry Russell,Lafayette's 9.9 dashman tops the freshman.

Bethpage balances the opposition

NYSST/Top Team

Nassau County has always had more teams with balance than any other part of the state. Last spring the best of the lot was Bethpage, which displayed a potent combination of depth and outstanding individuals to rank as Team-of-the-Year for 1971 by New York State Scholastic Track.

Bethpage, in the closest decision in the short history of the State Track selections, nipped Boys High and Mt. Vernon for the top spot.

Boys, led by quarter-miler Bill Wallace and half-miler Bill Dabney, had remarkable depth in the sprints, won several titles and twice ran a 3:14 mile relay, third in the nation. Mt. Vernon, paced by champion triple jumper Ken McBryde and all-state hurdler Mike Young, may have gained its fourth title in the last five years had Steve Groom, an outstanding half-miler, not been injured for the entire outdoor season.

Coached by Fred Meder, Bethpage won all of its dual meets, including an early-season 72-55 victory over Boys. The Kangaroos fell victim again in Schenectady as Bethpage came through to win the prestigious Eddy meet, 23-21. Prior to that the Long Islanders had won the Mid-Island and Ft. Washington meets. Bethpage reversed a poor showing in the County meet by scoring 14 points in Endicott to lead Nassau to its 19th Intersectional title.

Bob Ancona was Bethpage's top athlete. Primarily a half-miler, he ran 1:52.9n second in the state, and also had bests of 21.8w and 49.1 for the 220s and 440. Bob led the team to relay times of 3:22.6 for the mile and 3:30.9 for the SMR.

Bill O'Connell, a 6-8 all-state high jumper(a junior); Earl Johnson, 174-9 in the DT, and Herb Steier, 57-3n in the SP, ranked high on the state lists. Other promising athletes are sophs Charles Baldwin and Howie Singer.

If Mt. Vernon's Ken McBryde ever sheds his modesty and tells his story of the 1971 Golden West Invitational, it may sound more like fiction than fact.

Here's McBryde, an unassuming athlete with a mild temperament who happens to be a 50-foot triple jumper--third best in the U.S. He travels to Sacramento to meet, among others, the two best, two California neighbors who have bettered 52 feet--one is the national recordholder--and have been grabbing the headlines for the past two years.

So, what's McBryde's reaction? In THE MEET, he puts four jumps over 50 feet including a final leap of 52-6 1/4 at 10:30 P.M. with the only spectators left in Horner Field surrounding the TJ pit. McBryde leaves the co-favorites third and fourth behind another Californian. He returns home having equaled the national mark--although disallowed because of 6 mph wind--and having bettered the NY State record with a legal jump of 50-10 1/4.

Nine other New Yorkers competed, one short of the record total of 1967 (and there might have been 12 if not for the injuries to Dave Herman, Shaker hurdler, and Steve Groom, Mt. Vernon half-miler).

Riverhead's Greg Flippen leaped over 24-0 four times and had a best of 24-8 to place second in a windy long jump won by California's Randy Williams, 25-2 1/2.

Bill O'Connell of Gates-Chili, running into stiff winds in both sprints, clocked 9.8 for fourth in the 100 and 21.5 for second in the 220t. He was beaten in both by Detroit's Marshall Dill (9.6/21.0), named the meet's outstanding performer.

In the 330 IH Mt. Vernon's Mike Young got a good started but finished third in a respectable 37.6. The same was true for Sheepshead's Mike Sands, who led a talented 440 field into the long homestretch. But California's Tony Krzyzosiak was too much for everyone as he powered his way to a 46.9 triumph. Sands was fourth in 47.5.

Sewanhaka's Bob Marman ran a personal best of 1:52.1 in the 880 (see photo above), but he could not catch Jersey's Brian Guaschino (1:51.7) and placed fourth. Trinity's Ralph Peretta was fifth in the SP (61-5 1/2); Levittown's injured Jerry Hannon, 8th in the DT (171-0); Wantagh's Scott Peters and Carey's Chris Zanca, 7th and 9th in the TJ, 48-1 3/4 & 45-10 1/2.

Many Ryuns and Lindgrens on the horizon

NYSST/Training

By Stu Warner

High school track buffs were astounded in 1964 when Gerry Lindgren toured 2 miles in 9:00 indoors. He later lowered that mark to 8:40. In the spring of that same year, Jim Ryun, a slender 17-year-old HS junior, ran the first sub-4-minute mile ever by a prep. These two precocious youngsters became the first schoolboys ever to make the US Olympic team in distance events. Their impact was enormous in scholastic distance running circles.

Warner in competition

Until 1964, the amount of training done in HS was minimal. Most coaches didn't want "to push" the youngsters. The best runners in each state had their goals set at 9:20, if not slower. Few athletes who came out for track ran distances; the races seemed too long for them. Few states conducted the two-mile as a standard event; the mile was the longest race. All of this changed with the appearance of the frail Lindgren and powerful Ryun.

These two teenagers revolutionized HS training schedules. While training for the Olympics, Lindgren ran between 20-36 miles per day. When most HS'ers were doing five workouts per week, he was doing 14-21. More importantly, his coach, Tracy Walters, instilled confidence and a positive attitude in his protegee. Therefore, Lindgren feared no competition. Ryun ran less quantity and more quality than did Lindgren...e.g., eight quarters in 56 seconds with a 3-minute recovery. Bob Timmons, Ryun's coach, believed T&F should be no different than swimming, where age-group programs are abundant. If young swimmers could take the stress of training which led them to world records, he thought, then young runners could do the same.

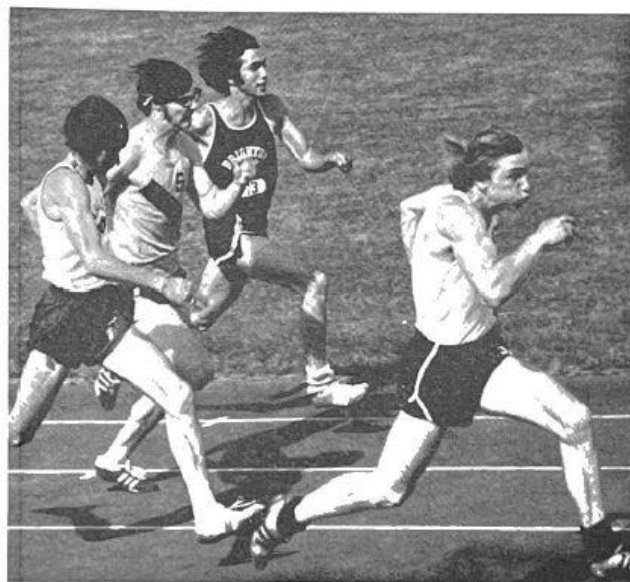

Using Lindgren and Ryun as inspirations, coaches and athletes have altered their thinking and their objectives. Training loads have increased, the 2-mile has become standard, and 9:10 clockings along with 100-mile weekly schedules have become almost commonplace. Depth is the important result. In 1968, 9:25 was 10th on the NY State all-time 2-mile list. Now, it is 41st. The age-group program is paying huge dividends: there are reports of 11-year-olds running five-minute miles, and younger kids are running longer races. HS'ers are still shocking followers. Just last spring, Craig Virgin, a 15-year-old soph from Lebanon, Ill. ran an 8:57.8 two-mile.

Lindgren and Ryun started it, and others have been following in their footsteps. No distance is feared, no time too fast. Schoolboys have received their impetus and they're on their way. Anyone who tries to stop them will be run down.

Despite adhering to State Association rules, many marks, throughout the years, had not been accepted as records because applications were not submitted to claim such records. For example, as of June 20, 1971, Edwin Kehe, State track chairman, reported that only two new applications (McBryde & O'Connell-HJ) had been received; however, other NYSFHSAA marks were surpassed in accordance with league rules.

Herman, Sands & Williams among indoor pacesetters

NYSST/Indoor Review

Ski tours try to lure you north, and airlines try to lure you south, but the real winter excitement can be found in the armories and field houses where a couple of thousand teenagers gather on Saturday mornings. Some come to run; others come to cheer. The two groups combine to make indoor track the great spectacle that it is.

During the 1971 season, as in every season, the state's schoolboys posted excellent marks, broke several records and engaged in exciting competition from New York to Rochester and points in between.

There were comebacks and injuries, young stars were found, old ones were beaten. When it was all over, some were prepared to conquer the world, others awaited the outdoor season, and a few sought tape and bandages.

Newtown's Harold Williams was the leading sprinter, having gone undefeated at four distances save a year-end loss in the Easterns 300. He ran 6.4(60), 22.4(220), 32.2(300) and 9.9 to equal the state 100 mark. Another Williams, Steve of Evander(Bronx), ran well with a 32.1 Easterns win and a 50.4 440. Mike Sands of Sheepshead(Bklyn) beat him in that 440 in 49.8, the nation's best, and he may have taken him in the 300 had Sands not been pushed in the final after qualifying in 31.8.

Berner(Massapequa) soph, Dave Meyer, ran 6.4 and 10.1.

Dave Herman of Shaker(Latham), named Athlete-of-the-Year for the indoor season, clocked 6.3 for the 60 and took every hurdles race he entered except in the Easterns where he was defeated by three Jerseys. Herman's 7.3 for the highs and 6.9 for the lows were tops. He lost one dash--to rival Bernie Gansle of Colonie, who ran 6.4. Nine others ran 6.4 or faster, four with the aid of blocks and spikes.

Hamilton's(Elmsford) Jim Redd had led both the 440 and 600--50.3, 1:14.2--prior to the title meets. In the latter event several late-season marks beefed up the Top Ten, led by Mike Valle's(Hamilton, 40-

NYSST/Indoor Review

Bklyn) 1:13.2. Don Brown(CBA, Syracuse) won every swift up-state 600, then took third in the Easterns in 1:13.9. Bethpage's Bob Ancona was by his side.

There were some mediocre 880 times which accompanied some mediocre 1000 times--until the final weekend of competition. Then, Matt Centrowitz, Power(NYC) soph, clocked 2:16.9 and Bill Dabney, Boys soph, ran 2:16 for second in the Easterns.

Centrowitz and Dabney also 4:19.5 and 4:25.2 for the mile, respectively, the former leading the state. Five runners broke 9:30 in the two-mile with Jim Harmon of St. Agnes(Rockville Centre) the pacesetter in 9:17.8.

There were hurdlers everywhere. Herman was followed by Bushwick's(Bkl) Andre Harris, 7.3, and Brooklyn Tech's Clyde Valentine, 7.4. Almost two dozen others bettered 8 seconds flat.

Trinity's(Hicksville) Ralph Peretta had no equal in the SP. His best was 60-2 3/4. Bruce Groneveldt of LaSalle(NYC) cleared 6-8½ for CHSAA HJ records and jumped unbeaten until the final meet. Sixteen others did 6-2 or better. Marks were set in the seldom-contested LJ, PV and TJ...Riverhead's Greg Flippen, 22-2; Valley Central's Steve Lukacs, 13-0 and Mt. Vernon's Ken McBryde, 48-8.

It was business as usual in the relays. Boys set a national flat-floor mark of 3:21.2 in the Mile(Gordon 50.8, Sherill 50.2, Johnson 50.4, Wallace 49.8). Jackson's 1:30.9 led the nation in the 880(Thorpe 22.8, Barney 23.0, Smith 22.2, Clayton 22.9). Power(NYC) was equally successful with a 7:51.8 two-mile runaway(Walsh 2:01.2, Wisniewski 1:57.7, Naudain 1:56.4, Centrowitz 1:56.5). Boys of Brooklyn, which won several major titles including the PSAL and a share of the Easterns, was the top team by the narrowest of margins over LaSalle(NYC), the CHSAA champion. ALL-STATE INDOOR:

Langford, Faraci lead harriers through park trails

NYSST/X-C Review

New York State has scores of beautiful parks that provide recreation and relaxation for persons of all ages. But to some teenagers--perhaps as many as 20,000 of them--there is little fun at the park.

These youngsters run cross-country. They travel through winding trails, up steep hills and down neverending straightaways in such parks as Van Cortlandt, Croton Pt., Bethpage, Prospect, Eisenhower, Bear Mountain, Sunken Meadow and Delaware. Many do it in preparation for the "regular" season. For others it is the regular season. But despite the pain, it is enjoyed by some, particularly those who run fast enough to win.

Last fall, during the 1970 season, two harriers were clearly superior--Rich Langford of Voorheesville and Brian Faraci of Fordham Prep (Bronx), named cross-country athletes-of-the-year.

Langford ran undefeated, setting several course records to appear as the heavy favorite in the Intersectionals at Croton. He came through with a 30-yard triumph in the "C" race over teammate, Ray DeMarco, who was followed by a third Voorheesville runner, Richard Ellis.

Langford's time of 12:49(2.5 miles) was a near record. The other sections were won by Tom Kinsman of Susquehanna Valley(13:03.9) and Chuck Forsys of Washingtonville(12:49.3). Ithaca and Section 8 won "A"; Clarence and 11 took "B" and Levittown Division and 2 captured "C".

Faraci, then a junior, began the season somewhat unspectacularly. But he finished with five straight major titles--all under 13 minutes--on the difficult, heavily-traveled Van Cortlandt course(2.5m) in the Bronx. His best time was 12:40.2, which moved him to 12th on the all-time list.

Brother Bielen's Power Memorial(NYC) team won nine major championships including the Easterns and Catholic Schools of NYC crowns, to rank as the top team. Paul Barbary, who clocked 12:42, leads the Panther scorers: Ray Naudain, Matt Centrowitz, Ed Walsh and Marty Wisniewski.

Other leading winners included Tom Smith of Notre Dame(Utica) and CBA(Syracuse) in the Inter-Diocesan, and Mike Christie, who led Tottenville(Staten Is) to the NY Public Schools title.

(Cross-country photos, All-State Teams and a champions list appears on following pages.)

NYSST/'72 Preview

Steve E. Sutton Photo

Clinton junior John Webb, flanked by John Owens of St. Francis and Carl Stewart of Rahway (NJ), winning Eastern 100

When a dozen returnees have already broken 10 flat, what else can 1972 be but a sprinters' year? Not so fast! The distances are loaded too and may even outclass the dashes if the talented crop of milers and two-milers make even marginal improvements.

John Webb of Clinton, the Bronx(photo above), at 9.6 leads a 100 field that includes three sophs and a freshman. Long Islanders Lance Bauman (Oceanside), Vince Redden(Copague) and Bill Graba(Uniondale) pace the 220.

Five milers under 4:22(excluding Dan Diaz, 4:17, in his last year of eligibility in '71) and seven two-milers under 9:30 highlight the distances with the top mark a 9:17.6n by Cathedral's(Elmhurst) Kevin McCarthy. Boys' Bill Dabney leads the half-milers with 1:53.9.

The only returning quarter-miler under 50 is Andre Sherrill of Boys, 49.9 from the blocks, 48.5 on a leg. But he may be groomed for the intermediates, which have five at 40.5 and below including Bauman and CHSAA champ John Abbene of Chaminade(Mineola).

The highs and lows are strong too. Harold Schwab of Centereach is the top returning doubler, 14.4 and 19.5. Oceanside's Art Campbell led the state in the lows at 19.0.

Six high jumpers are over 6-5 including Bill O'Connell of Bethpage, 6-8. Three long jumpers have cleared 23-0, but the triple jump has been weakened by graduation with only two 45-footers back.

Clarke's(Westbury) Brad Armstrong, 14-4 1/2 last year, will seek a state vault record of 14-6 and may become NY's first 15-footer. The weights appear to lack depth with Granville's John Fragnoli at 58-6 in the SP the most impressive returning athlete. -53-

Dear Coach

Thanks for your suggestions, comments and questions after New York University announced the termination of varsity TRACK.

A special meeting of the officers and executive board of the N.Y.U. Alumni Spiked Shoe Club voted unanimously to continue our Indoor and Outdoor track meets as long as you coaches, your schools and your boys wish to compete.

This club is a completely non-profit organization dedicated to schoolboy athletics.

Sincerely
