# What it takes to be No.1

by Vince Lombardi

## You've got to pay the price.

"Winning is not a sometime thing; it's an all-the-time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is a habit. Unfortunately, so is losing.

"There is no room for second place. There is only one place in my game and that is first place. I have finished second twice in my time at Green Bay and I don't ever want to finish second again. There is a second place bowl game, but it is a game for losers played by losers. It is and always has been an American zeal to be first in anything we do and to win and to win and to win.

"Every time a football player goes out to ply his trade he's got to play from the ground up—from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's O.K. You've got to be smart to be No. 1 in any business. But more important, you've got to play with your heart—with every fiber of your body. If you're lucky enough to find a guy with a lot of head *and* a lot of heart, he's never going to come off the field second.

"Running a football team is no different from running any other kind of organization—an army, a political party, a business. The principles are the same. The object is to win—to beat the other guy. Maybe that sounds hard or cruel. I don't think it is.

"It's a reality of life that men are competitive and the most competitive games draw the most competitive men. That's why they're there—to

compete. They know the rules and the objectives when they get in the game. The objective is to win—fairly, squarely, decently, by the rules—but to win.

"And in truth, I've never known a man worth his salt who in the long run, deep down in his heart, didn't appreciate the grind, the discipline. There is something in good men that really yearns for, needs, discipline and the harsh reality of head-to-head combat.

"I don't say these things because I believe in the 'brute' nature of man or that men must be brutalized to be combative. I believe in God, and I believe in human decency. But I firmly believe that any man's finest hour—his greatest fulfillment to all he holds dear—is that moment when he has worked his heart out in a good cause and lies exhausted on the field of battle—victorious."

VOL. XXVII — NO.2

POWER MEMORIAL ACADEMY, NEW YORK, N.Y.

NOVEMBER 21, 1973

## Congratulations — City Champions!

Left to right, top row: K. Meuchner, E. Jennings, Brother Bielen, B. Bailey, F. Rafferty. Bottom row: M. Weaver, A. Stolba, B. Johnson.

Power has won the C.H.S.A.A. Intersectional Championships in 1965, 66, 67, 69, 70, 71 and now in '73. On November 10, on a very cold afternoon, the Power Varsity and Junior Varsity teams concluded a very successful season.

With the cross-country season at an end, the Power track team has certainly been one of the toughest around. Both the Varsity and J.V. had one of their best years. They started their string of victories up at Bear Mountain, back on Sept. 22, and wrapped it up at Van Cortland Park last Nov. 10, when the City Championships were held.

Among all the meets that were held in these past three months, the Varsity placed 3rd in Eastern States Championships where only the top 24 teams of the East Coast run.

Brian Johnston (13:11), Arthur Stolba (13:12), Maurice Weaver (13:26), Kevin Meuchner (13:35), Alfred Fiorentino (14:02), Frank Rafferty (14:04) and Ed Jennings (14:06) were the 7 men who faced a dirty and dusty course, in a very crowded race.

However, the team did not get discouraged and looked forward to City's which was

run on a very cold and windy day. The Varsity, with Arthur Stolba (12:47), Brian Johnston (12:49), Maurice Weaver (12:56), Frank Rafferty (13:23), Kevin Meuchner (13:26), Ed Jennings (13:34) and Bill Dailley (13:43) won 1st place with a 52 point lead over the 2nd place team, Chamade.

The J.V. had a great day by getting a perfect score (15 points) when Alfred Fiorentino (13:38), Peter Dolbrolski (13:49), Gerald Centrowitz (13:51), Mike Rafferty (13:53) and Dan Toner (13:56) placed 1 to 5 respectively while George Alcoforado (14:00), and Kenan Boate (14:05) placed 7 and 10.

### MEETS COMING UP

- Coaches 5x2 mile relay — November 24
- AAU Sprint Medley — November 30
- Polar Bear Meet — December 8
- Loughlin Games — December 15
- CHSAA Relays — December 22

The Power Freshmen also had a good day finishing 2nd to unbeaten Farrell. Fine performances were put in by Mike Demko, John Sullivan and John Goh.

## Ballot Box

For the first time in the history of Power's Student Council, the presidency and vice-presidency was decided from a raw vote of the student body.

In order to be eligible for candidacy, a student had to have a petition signed by at least 75 students. As a result of this there were two candidates for the presidency, both were seniors, Gerry Sullivan and Tom Nadramia. Sullivan won the election with 764 votes to 123 votes.

The vice-presidential race also had two candidates, Rich Prydal, a junior, and Atila Perez, a sophomore. Rich Prydal won the election with 614 votes to 280 votes for Perez. All voting was tabulated by Messrs. Coppolino and Grimmeyer. We, the students, have elected the officers that will represent us. It is now up to us to give them constructive ideas.

—Mike Gill
