The Spring Concert in Philharmonic Hall.

Through music, whole new worlds are discovered and explored. With one tune, a musician has the power to excite or sadden a crowd, create suspense or revive an old but pleasant memory. Although it is the composer, who decides what emotions will be touched, it is the responsibility of the conductor to bring out the color of the music. Mr. Morra plays both these roles and more in our band. Under his guidance and instruction many students master an instrument of their choice and learn the art of reading music. No price can be set for what we learn each day from him.

The moderator plays an important role with the morale of a group. Along with the student body, Brother Coakley, our moderator, is our main source of encouragement. Through long hours of work, he sets up a series of parades and concerts with the confidence that we will win, whether it be trophies or applause. It is through these programs that we, the students have achieved our fame. Also, with Mr. Morra and Brother Coakley as examples, we have acquired a special pride in ourselves, in our school and in the music we play—a pride that is surpassed by none.

NATIONAL  
HONOR  
SOCIETY

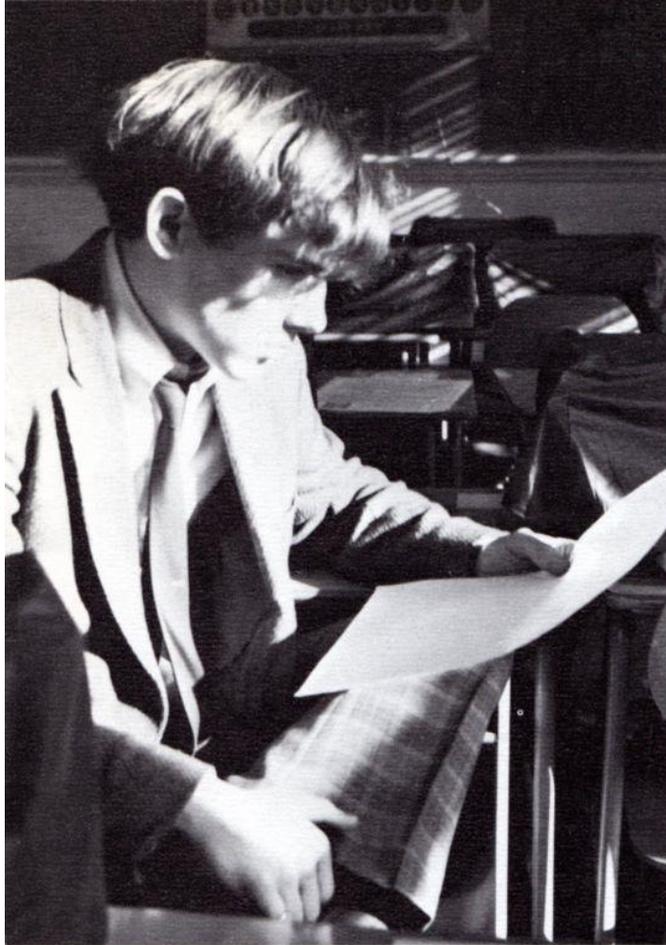

*The National Honor Society*

The National Honor Society this year, is under the guidance and supervision of Mr. Francis McCutchen. He has totally revitalized the society and has made it profitable and interesting to everyone involved.

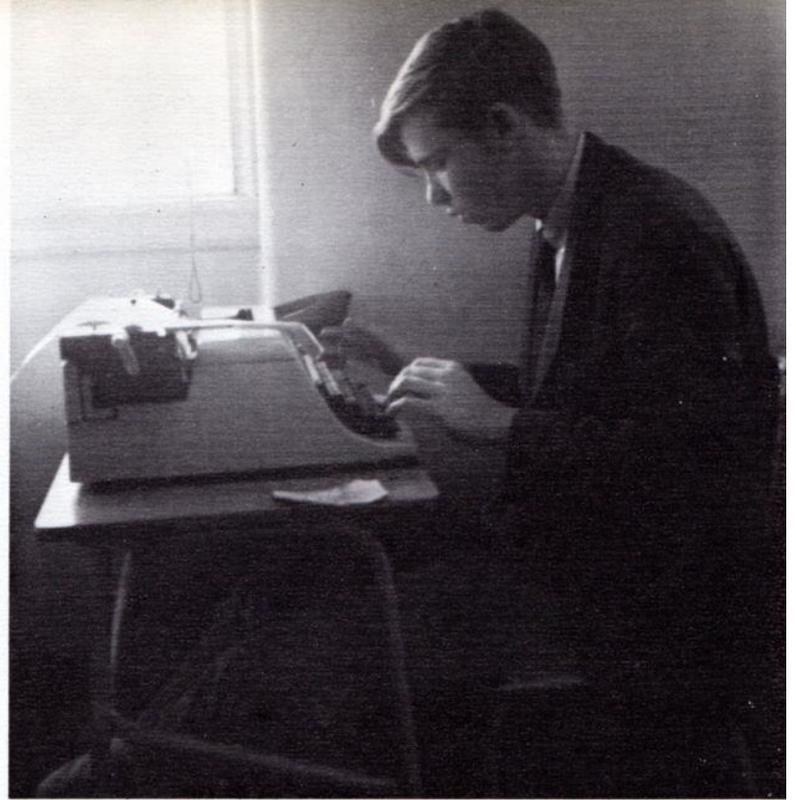

In order to become a member of the society one must show good qualities in Scholarship, Community Service, Leadership and Character. One must also pass inspection from at least three teachers on the aforementioned standards.

Each year the National Honor Society gives out monetary grants to those members showing outstanding scholarship. This year five seniors competed for these scholarships, and the two finalists who entered the national competition were George Alexander and Fred Ferraro.

As a final closing comment, I would like to wish the two seniors competing for the scholarships the best of luck and we, The National Honor Society, are proud to have them represent Power Memorial Academy.

This year has proven to be one of the most exciting ones in the memories of many Puerto Rican, Hispanic, and other students at Power. For this year the first Aspirantes Club was organized by a group of students motivated in preserving an identity and culture. Not only have the members been exposed to their heritage but also they have been made aware of a community that waits in their success to be lifted from the lowest economic and social level in our society. Success, to all Aspirantes, is through education.

## MOTHER'S CLUB

Traditionally, the Mothers' Club of Power Memorial Academy has been extremely active in helping the school, spiritually and materially. The school year 1969-1970 has been no exception.

Under the direction of the President, Mrs. Judy Votta, and her Officers, the Mothers' Club has helped forge the link between home and school. This was done through monthly meetings.

During this past year, the Mothers' Club sponsored their Annual Communion Breakfast. Father Benjamin Horton SSJ, was the celebrant of the Mass which was held in the Gold Star Gym. Our Christmas Party helped make Christmas much brighter for many less fortunate families of New York City. The Card Party, held in April was a tremendous success and the profits accumulated were used in improving the school. The year's events were also highlighted through combined meetings—Mothers and Fathers—focusing on drugs and other current problems of modern youth.

To the Band and Glee Club, their directors and moderators, we are eternally grateful. To the Principal, faculty and student body, we say a heartfelt thank you in making our year much easier. To our faithful Journal advertisers, our thanks and best wishes. Without this cooperation, our task would be very difficult.

## FATHER'S CLUB

One of the most essential organizations in the school has always been the Fathers' Club.

With a full calendar of events prepared, the Power Memorial Fathers' Club attempted to make this year the best of all and truly succeeded.

In the Fall, Chairmen Mel Cramer and Mike Simon presented the Country Dance which was both socially and financially successful. In conjunction with this dance, Chairman John Scudieri organized the annual Fathers' Club raffle.

Equally successful was the Valentine Dance organized by Chairman Joe Cifarelli and the Journal which was under the direction of Whitey Ryan.

But perhaps the most important contribution provided by the fathers is the help they give at bingo every week. The financial assistance the school receives from this program, which is headed by Arthur Stetzner, would be impossible if not for their cooperation.

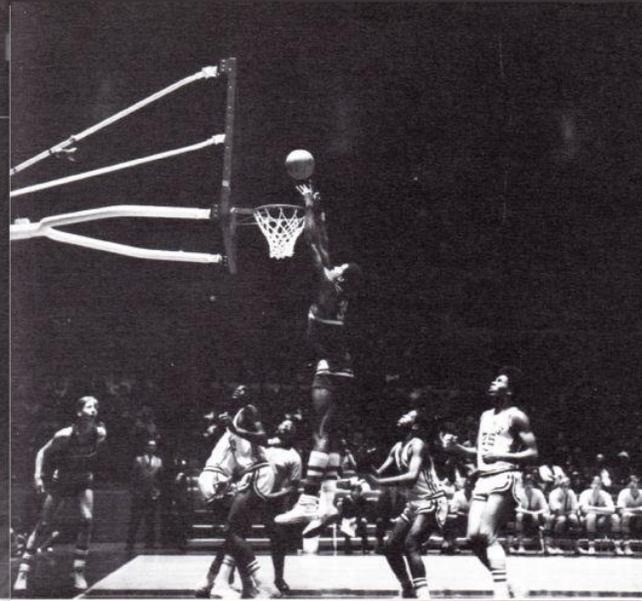

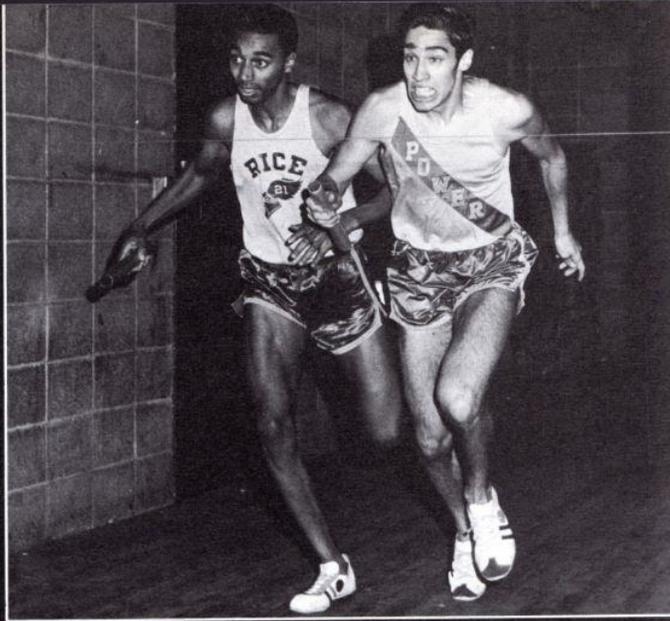

The students and administration express their deep gratitude for the unselfish actions of the members of the Fathers' Club and the officers: Jim Heaney, President; Dan Nielsen, Vice-President; Fred Smith, Treasurer; Joe Cifarelli, Recording Secretary; Ralph Porter, Corresponding Secretary and Br. William Stoldt, Moderator.

## VARSITY "A" BASKETBALL

Before this year Power basketball, to most people, meant Lew Alcindor. But Power has done it again; they have put together a team which is believed by many to be better than Alcindor's team and which is ranked as the No. 1 school in the country. The team's fine record is due in great part to the coaching of Mr. Jack Kuhnert. For this year's team is not just made by starters; it is fourteen men deep, and this is the reason why we are number one.

As captain of this year's team, Steve Duthie is a leader both on and off the court. In addition he is one of the finest back court men Power has had in recent years. At the center is Len Elmore who bewilders opponents with his height, speed and gracefulness. Ed Searcy with fantastic jumping and shooting ability is probably one of the best forwards Power has ever had. Jap Trimble has one of the most accurate one on one moves which is coupled with forward and back-court efficiency. In the backcourt along with Steve Duthie is Bob Toner who is the fastest and quickest player on the team.

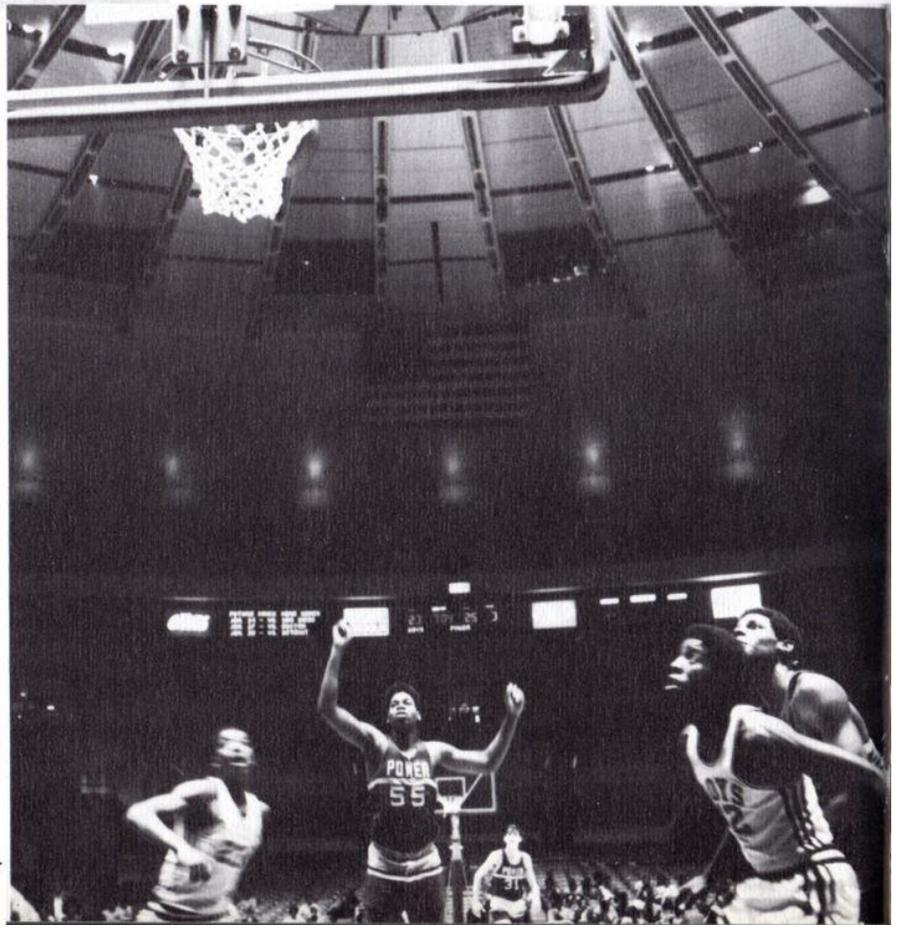

Bill Mannix and Steve Donohue are both quick passers and great shooters as is Bob Akalski. It is these men who give the necessary depth to the team. In addition Henry Walther and Alan Young are there when the big guys get in trouble. With Brian Dalton's jump shot and John Conboy's hard work the team is given additional strength. The team came into the season feeling we were No. 1 and decided to prove it. It has proved itself in league play, at St. Bonaventures, at Madison Square Garden, at Johnstown, Pa. and at Washington D.C. After all this play the team was 13-0 and 13 is supposed to be an unlucky number . . .

## VARSITY "B" BASKETBALL

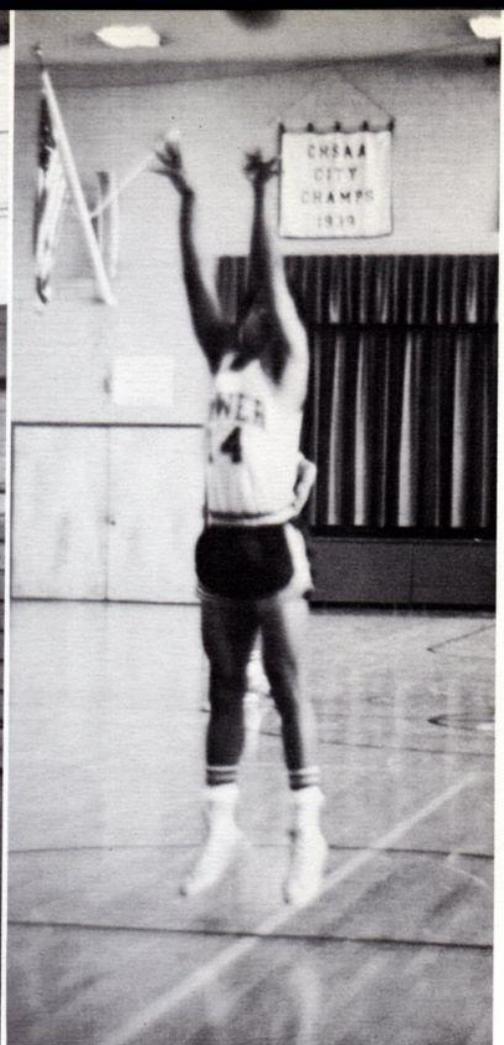

The Varsity "B" now in its second year is an excellent and exciting team. It boasts Br. Jensen and Br. McNamara as its coaches. They have a rapport with their players that few coaches ever achieve.

The team is led on the court by co-captains M. Basuino and F. Ania. Basuino is the floor general while Ania is quick and deadly with his shot. F. Mannion is the strongest guard, a good shooter with a demoralizing defense. R. Mulholland plays a good defense and is an outstanding shooter. K. Holler is Basuino's backup and is an inspiration on the court. C. Crispino's excellent shooting has decided many a tight game for the "B" so has the ballhandling of Frank McKenna. R. Perry's defense is a pleasure to watch. However, a team always needs new blood which has been provided by S. Kirk, D. Campbell and B. O'Shaughnessy.

The "B" is unique in having only four forwards, however, each one is strong, quick and tough. They are led by J. Boyle, the team's leading scorer and rebounder. J. Ciavarella is an outstanding shooter as is S. Ramsey and G. Wargo. The managers G. Fernandez and R. Stout do a solid job. The old saying "there is no I in team" describes the Varsity "B" to perfection.

Winning teams are a tradition at Power, and we have been truly blessed with many great track teams in the past. This year's team proved to be equal to the high standards of the past. Sparked by the fine coaching ability of Br. Bielen and headed by Capt. John Jakimez, the Varsity harriers compiled an impressive line of victories through Cross country, indoor and outdoor track. The cross country season was crowned with the C.H.S.A.A. City Championship in both the varsity and J.V. divisions. The Two Mile Relay, a Power tradition, proved to be one of the best in the nation. Outstanding runners like Anthony Colon, clocked at 1:54.0 in the half and 4:17.8 in the mile early in the indoor season. Other members of the relay team include: John Jakimetz, Ray Naudain, Armando Vera and M. Wisnieski, while Paul Barbary, a Junior, is among the City's best Two milers.

There is also much talent in Sophomore year with distance runners like Pat Rafferty, Anthony Fiorentino and Jeff Snaggs. They portend a good season next year.

## VARSITY BASEBALL

The Varsity baseball team opened its 1969 Fall Campaign fielding a young team, with all four years represented on the roster. They finished with a record of four wins, six losses and two tie scores.

The Panthers opened with four straight wins defeating McClancy, Cathedral, Nazareth, and St. Francis Prep. However their inexperience hurt them in games with Molloy, St. Raymond's Manhattan Prep., and Bishop Reilly. They also tied St. Helena's and Manhattan Prep.

The leading hitters were Bob Akalski (.309), John Boyle (.303), Henry Casals (.281) and Fred Ania (.272). Junior Steve Kallas and Freshman Julio Alonso give great promise of future success since they picked up two wins each. In all it was a season marked by determination more than its fruit.

## 1969—J.V. BASKETBALL—1970

The outstanding pressing and multiple defenses of this year's edition of the J.V. enabled them to roll to an impressive 17—1 record. Their tenacious defense limited the opposition to an average of 45 points a game. In capturing the division I CHSAA title, winning 10 straight games, the "Little Panthers" upset highly favored Cardinal Hayes for the title.

The backbone of Mr. Malone's charges were Herb Rhaburn, John Holland, Rodney Evens, Jimmy McKenna and Kevin Doyle. Rhaburn led the team in scoring (396 pts.) and rebounding (172). Holland averaged 14 points a game, and Evans averaged 12 points a game. McKenna was the quarterback of the team, leading the team in assists with 86. Kevin Doyle was the second leading rebounder during the campaign.

AFTER SEVERAL YEARS, THE PANTHERS HAVE RETURNED AGAIN TO MAKE THEIR MARK IN THE RECORD BOOKS OF THE CATHOLIC HIGH SCHOOL BOWLING LEAGUE. THE VARSITY STARTED A STRONG SEASON BUT STEADILY CAME UP AGAINST "DEAD WOOD" WHICH HAS PLAGUED THE TEAM SINCE THE SECOND HALF OF THE SEASON. THE JUNIOR VARSITY REVERSED THE TREND OF THE FIRST SEASON TO COME ON STRONG IN THE PRESENT SEASON TO FIND THAT THEY ARE IN CONTENTION FOR THE CHAMPIONSHIP PLAYOFFS. BROTHER CRONIN HAS GREAT HOPES FOR NEXT YEAR BECAUSE OF THE GREAT INTEREST OF STUDENTS TO FIND A PLACE ON THE TEAM. IF INTEREST IS MAINTAINED OVER THE SUMMER, BROTHER HOPES TO ENTER TWO CHAMPIONSHIP TEAMS IN THE CHSBL AS WELL AS TWO MORE TEAMS FOR THE PRIVATE SCHOOL LEAGUE. WITH FOUR SCHOLASTIC TEAMS BROTHER HOPES TO ENABLE MORE STUDENTS TO EARN VARSITY LETTERS AND TO SHOW THAT WHAT EVER THE PANTHERS PUT THEIR HANDS TO THEY WIN.
